Album: Amazing God 'n' Camp

God's Word includes these two encouraging passages: From Hebrews 4:16, NKJV:

“Let us therefore come boldly to the throne of grace, that we
may obtain mercy and find grace to help in time of need. “

From 2nd Corinthians 12:9: “And He [Jesus] said ...'My grace is sufficient for thee:

for My strength is made perfect in weakness. “

1

It surely was not my intent that when I packed my camping tent,

I packed in some albino spiders too!

I drove them for 500 miles, all tucked in my Ohio pile of
gear on my way to my new camp site.

2

I opened my packed tent case..... Out FIVE albino spiders came.....

I sure was not about to chase them through

Pennsylvania hills and drive them home to Ohio!

3

I sure hope Pennsylvania had albino spiders before I made
this mistake in taking five to their country side.

God, please forgive mistakes I made and stop any hurt I
made that day. I can't stop spiders, but You can stop the hurt.

4

God, I sometimes hurt Your heart. I ask “Forgive me” and You do.

But I beg you to heal any hurt I made...

I'm sorry, God, please stop hurt I caused You!

5

God, I sometimes hurt people. I ask “Forgive me” and they do.

But I beg You to heal any hurt I made...

I'm sorry, God, please stop hurt I caused people!

6

Romans 7 sure describes me. I keep doing things I don't mean to do.

God, heal the hurt I've caused, I pray! Hurt to YOU, hurt to others,

to Your World! Please heal the hurts I've made!

Song Story Sadly... amusingly... this song is a **true** story. After leaving ALIVE 2009 and driving several hundred miles to the CREATION 2009 music festival, sure enough---a bunch of child's-hand-size white spiders hopped out of my tent case. And I did pray that I had not introduced a new species to the Pennsylvania mountain. However, after having gone to CREATION music festivals for ten years, the year 2010 was the first year I saw albino spiders at my Pennsylvania campsite. As the song says, I sure hope PA already had!
