BLIND BY CHOICE

LYRICS

"The wrath of God is being revealed from heaven against all the godlessness and wickedness of people, who suppress the truth by their wickedness, since what may be known about God is plain to them, because God has made it plain to them. For since the creation of the world God's invisible qualities—his eternal power and divine nature—have been clearly seen, being understood from WHAT HAS BEEN MADE, so that people are without excuse. For although they knew God, they neither glorified him as God nor gave thanks to him, but their thinking became futile and their **foolish hearts were darkened. Although they claimed to be wise, they became fools** ..."   Romans 1:18-22.

1
What ever happened to intelligence that by choice looks at ALL sides?
Whatever happened to intelligence that refuses to decide
        until …. seeing …. objectively
        all   Reasons about All sides?
Common Sense says, if you truly want Truth, you
        cannot pre- decide what you CHOOSE to be Truth.

> CHORUS: We are blind..... we are **blind**..... if by our CHOICE we *DECIDE* what's right,
>   based on what we WANT to be Truth.

2
What ever happened to intelligence that WANTS to be shown if wrong?
Whatever happened to …. LOGIC that doesn't focus on winning? That
        cares ….. about …. what is TRUE more
        thanabout whether we are Right or wrong.
Common Sense says, if you truly want Truth, you
        rejoice if you learn new facts that point to Truth.

> CHORUS: We are blind..... we are **blind**..... if by our CHOICE we *DECIDE* what's right,
>   based on what we WANT to be Truth.

3
What ever happened to intelligence that asks God to give wisdom,
not ever caring if God shows we're wrong. That most desires to know Truth
        above ….. what we ….. WANT to be right.
        Keep praying for Truth, but know:
Common Sense says, if you truly want Truth, you
        don't mind when you find what you *thought* Right is wrong.

> CHORUS: We are blind..... we are **blind**..... if by our CHOICE we *DECIDE* what's right,
>   based on what we WANT to be Truth.
