dedicated to God Whose Love we can trust, 22 Oct 2010

TEMPO: 116 BPM

Album: Amazing Lord 'n' Logic

“Therefore, having been justified by faith, we have peace with God through our Lord Jesus Christ, through whom also we have access by faith into this grace in which we stand, and rejoice in hope of the glory of God. And not only that, but we also glory in tribulations, knowing that tribulation produces perseverance; and perseverance, character; and character, hope. Now hope does not disappoint, because the love of God has been poured out in our hearts by the Holy Spirit God demonstrates His own love toward us, in that while we were still sinners, Christ died for us.” -- *Romans 5: 1-8 NKJV*

VERBAL INTRO :

All of us have something in our lives that we just can't change... a situation that just plain hurts us. And sometimes our X in life leaves us with a “why, Oh, W-H-Y, why does God not solve our problems?” That's when we must decide:

Do I trust the LOVE of God who sent His son JESUS in love for me?

Song Story

I was whining to God about my lack of guitar skills after a particularly floundering practice time. I whining in my prayers, **"How can I serve You well when I play so badly?"**

I was whining, "Won't You please give me more skills so I can serve You better?"

And then, in less than 10 minutes, I wrote down God's melody for this song. So easy any beginner guitarist can worship our Lord with it. The verses took longer... about 15 minutes. J&K Studio recorded the song four days later. God is WOW!

I should have recalled a much earlier song God had given me after the same conversation; GRACEFULL WEAKNESS. *"...of myself I will not boast, except in my infirmities.... Concerning this thing I pleaded with the Lord three times that it might depart from me. And He said to me, "My grace is sufficient for you, for My strength is made perfect in weakness." Therefore most gladly I will rather boast in my infirmities, that the power of Christ may rest upon me.*" -- 2 Corinthians 12: 5a, 8, 9 -- a song from God through DianaDee dedicated to Him on 2 March 2009
