Song Story. (25 August 2013)

I awoke one morning with this simple melody in my head and sketched it out. Before leaving the keyboard, a harmony melody came to mind.

THEN a 2nd harmony... and from there I realized that God was answering my prayers for not only more LOGIC & HISTORY songs guided by Him, but also more Church Worship songs to praise Him TOGETHER.

With THANKS for His Promise in Romans 8: 26-- His Holy Spirit HELPS us pray....

WHEN we humbly asks Him.

Not just as individuals, but together as God's Church Fellowship.

How can we His church get too busy to deeply pray ?
