Song Story.

I awoke with the melody *and* the chords of Part 2 “in my head.” I went to my journal (while praying for guidance) to see which of my *no-music-yet* lyrics sets would fit the melody -- but before I reached even one, I came across my notes from Brother Larry Small's message the night before.

*What can I myself say? This a song right from God-- not from me-- containing the message from God full of His promise: **Choose God and He WILL direct you to a joy-filled life.** (See Jeremiah 29:11-14 for another example.)*
