Reading 2 after verse 2

JESUS CONTINUES IN LUKE 12:

“And do not seek what you should eat or what you should drink, nor have an anxious mind. For all these things the nations of the world seek after, and your Father knows that you need these things. But seek the kingdom of God, and all these things shall be added to you. Do not fear, little flock, for it is your Father's good pleasure to give you the kingdom..... LUKE 12.... For where your treasure is, there your heart will be also.”

SONG STORY: Lyrics written in moments one day. Music in moments 3 weeks later, designed as “playful” and “flitting up and down” the music scale... flitting like bees and hummingbirds. On the World Wide Web within 4 weeks start to finish. GOD'S FEEDING... in MUSIC flowers. I'd been watching and feeding the hummingbirds a lot.

As summer comes to a close, I ensure that the feeders stay full, to prepare them for the long trip south soon to come. One day I was joking with God as I prayed, "Hey, aren't I the one providing for *Your* birds here?" The instant thought I had -- I'm convinced it was God's answer, as fast as any human friend would reply to such a statement,

"Hey, Who gave you enough resources to share with these birds?"

"Hey, Who gave you eyes to see these tiny creatures, anyway?"

"Hey, Who gave you arms and legs to prepare their food? And a heart of JOY to see Your LORD God's Creator hand as the source of these creatures' existence and provision of food?"

With renewed humbleness, I opened my Bible to Psalm 1:2 ... and saw the connection. A logical connection, provided by the Holy Spirit's wisdom (James 1:5): Regarding the person who honors God:

"But his delight is in the Law of the LORD, and in His law, he (the person) meditates day and night."

Daily meditation on God's Word.... gives us our Daily Bread.... and our Daily Provision of what we most need in Life: God.
