Exodus 23:28 .. The LORD sent hornets to drive out peoples who did evil idol worship from the land: He used His own Creation... did not need people.

Leviticus 19: FULL of YHWH God's commandments about helping people who are more weak. Also the source scriptures for Jesus in His parable of The Good Samaritan, defining "Neighbor".

1

THUS said Jephtha in the Book of Judges, Chapter 12:

"God is JUST and demands WE reflect HIM and defend the WEAK." *(Interlude)*

He said:

"When my people struggled in a FIGHT for their life, when
my people were threatened for their very lives, I
CALLED to you... SENT to you to COME to their Rescue! You
TURNED your back: did NOT care that I
called, "Come FIGHT for RIGHT and JUSTICE" **SO:**
"I myself went in Jehovah God's strength.
He delivered us." You yourself LOST your
chance to be part of God's play, disobeying Him.

Don't ignore God's command: "HELP THE HELPLESS!"

CHORUS

THUS declared Jephtha, see the Book of Judges, 12. He
answered God's call, "FIGHT for the WEAK" as God tells US as well.
THUS declares Jehovah, Yahweh, God through His Bible: IF you
ignore Him, won't FIGHT for the WEAK THEN
WHY should God save YOU ???

2

THUS STILL says Yahwah, Jehovah God all through His Word, Torah, Bible:

"God is JUST and demands WE reflect HIM and defend the WEAK." *(Interlude)*

He said:

"When my people struggled in a FIGHT for their life, when
my people were threatened for their very lives, I
CALLED to your Nation, I SENT My Word to
GO help the helpless – RESCUE! Many of you
STILL turn your backs: do NOT care that I
called, "Come FIGHT for RIGHT and JUSTICE" **SO:**
"I Myself will deliver them in My Strength.

If you reject God, I shall deliver other ways, BUT
you lose your chance to be Part of God's Plan."

Don't ignore God's command: "HELP THE HELPLESS!" >> CHORUS
