Genesis 1 -- the first 5 verses -- says that the earth was created on DAY 1 of creation and Adam was created on DAY 5. From there, we can calculate a good guess of the age of the earth by adding the years of the people's ages in genealogies from Adam to Abraham in Genesis 5 and 11, then adding in the time from Abraham to today.

AN ARTIST may stand back and fling white paint onto a black canvas to create spatters like stars in an instant. **IT IS NOT LOGICAL** to claim that God who CAN create anything could be limited by TIME, so that He "had to" create the stars 1,000s of years ago to give their light time to reach earth at "so many miles away" at the "speed of light."

CHORUS

God gave wonders.... wonders that show the
inside workings of His earth -- details of the Creator.
Through Mount Saint Helens, God gave to us views of how the
Great Grand Canyon easily is younger than we've been told.

VERSE 1

Mount St. Helens exploded its top in 1980.... blew off
thirteen hundred feet of earth. Burned 150 square acres up.
Lava flowed for six more years, changing the land and water flows there. The
Baby Grand Canyon shows the Great One is younger!

SCRIPTURE READING after Verse 1:

Genesis 1. In the beginning God created the heavens and the earth. 2 The **EARTH** was without form, and void; and darkness was on the face of the deep. And the Spirit of God was hovering over the face of the waters. 3 Then God said, "Let there be light"; and there was light. 4 And God saw the light, that it was good; and God divided the light from the darkness. 5 God called the light Day, and the darkness He called Night. So the evening and the morning were the FIRST day.

VERSE 2

Mount St. Helens in 35 years changed the landscape with water.
Land eroded, to deep channels.... a baby Grand Canyon in 3 dozen years.
Millions of years were NOT needed to create the old Grand Canyon we see. The
Baby Grand Canyon shows the Great One is younger!

SCRIPTURE READING after Verse 2:

2ND PETER 3: 4 ... scoffers will come in the last days, walking according to their own lusts, 4 and saying, "Where is the promise of His coming? For since the fathers fell asleep, all things continue as they were from the beginning of creation." 5 For this they willfully forget: that by the word of God the heavens were of old, and the earth standing out of water and in the water, 6 by which the world that then existed perished, being flooded with water. 7 But the heavens and the earth which are now preserved by the same word, are reserved for fire until the day of judgment and perdition of ungodly men. 8 But, beloved, do not forget this one thing, that **with the Lord one day is as a thousand years, and a thousand years as one day.** 9 The Lord is not slack concerning His promise, as some count slackness, but is longsuffering toward us, not willing that any should perish but that all should come to repentance. <GIVING MORE TIME>

VERSE 3

Not one scientist has any proof that Earth is older than said in God's Word.
The world nations all tell the tale of a Great Flood through the world
that DUG through dirt here too.

Fossils of ocean animals are deep embedded in cliffs high above the sea! The
Baby Grand Canyon shows the Great One is younger!

TAG -- TWICE with scripture reading (Romans 1) in between:

Scientists once used the Scientific Method, which DEMANDED complete OBJECTIVITY and WARNED, Scientists could get wrong results if they worked KEEPING their prejudice.

Romans **ONE:** Fools described once again.

Scientists who REFUSE to believe in God will keep seeking results till they find a way to explain what they've seen in ANY... way that does NOT admit that a Creator exists.

Fools won't admit a Creator COULD exist.....

SCRIPTURE READING after first singing of the TAG

Romans 1. 18 For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who suppress the truth in unrighteousness, 19 because what may be known of God is manifest in them, for God has shown it to them. 20 For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse, 21 **because, although they knew God, they did not glorify Him as God, nor were thankful, but became futile in their thoughts, and their foolish hearts were darkened.** 22 **Professing to be wise, they became fools,** 23 and changed the glory of the incorruptible God into an image made like corruptible man—and birds and four-footed animals and creeping things.

Song Story. Written at the gym during an hour of thinking a lot about a movie I had watched 5 or 6 times, Is Genesis History? starting with Mount Saint Helens geography. (Narrated by Del Tackett)
