=====

Song Story. Just sat at computer and formatted God's Word into a timing that He'd later give me music for to help you remember His Hosea 4:6 COMPLETE verse, not 1/4-th of it as usually quoted! Written as I was yet again thinking in ANGER at the HABIT of people including preachers to quote PART of verses (Like John 10:10, that Jesus wants to give us abundant life-- without the first half Truth warning that Satan wants our death.) Thus God inspired me to emphasize this chorus: **HALF a Truth spoke is DECEIT!** Preachers emphasize (rightly) that God says people "are destroyed for lack of knowledge"... first half of Hosea 4:6. But the REST is God's warnings to priests/preachers themselves that He's ANGRY at them for what? >> **"Because you have forgotten the law of your God"** --

YET we're told in churches that Jesus DID AWAY WITH the Laws of God that He gave for our good, that still exist when Jesus's sacrifice on the cross pays our punishment for BREAKING God's Laws.
