COMPLETE SONG STORY:

Just sat at computer and formatted God's Word into a timing that He'd later give me music for to help you remember His Hosea 4:6 COMPLETE verse, not 1/4-th of it as usually quoted! Written as I was yet again thinking in ANGER at the HABIT of people including preachers to quote PART of verses (Like John 10:10, that Jesus wants to give us abundant life-- without the first half Truth warning that Satan wants our death.) Thus God inspired me to emphasize this chorus:

HALF a Truth spoke is DECEIT!

Preachers emphasize (rightly) that God says people "are destroyed for lack of knowledge"... first half of Hosea 4:6. But the REST is God's warnings to priests/ preachers themselves that He's ANGRY at them for what? >>

"Because you have forgotten the law of your God" --

YET we're told in church that Jesus DID AWAY WITH the Laws of God that He gave for our good, that still exist when Jesus's sacrifice on the cross pays our punishment for WHAT? For **BREAKING** God's Laws.

LOGIC: How can we BREAK God's Laws (and need forgiveness) if the God's Laws no longer exist?

Reminder: About 80% of God's laws applied only to the workings of His Temple (so no longer in effect, with no Temple in Jerusalem, Israel) and sacrifices.... and Jesus did complete the Blood Sacrifices for sins, although we still owe God other sacrifices including

Sacrifice of Gifts (including tithes) - sometimes called "Heave Offerings"

JESUS said we should give God our sacrifice of Tithes - see Matthew 23:23 and Luke 11:42 "These you OUGHT to have done, without leaving the others undone".

See also Numbers 18:24-28, Nehemiah 10:37 -38, MALACHI 3:8 where GOD says bring tithes OR you're robbing Him...
