Jesus: "In the world you will have tribulation, but BE OF GOOD CHEER:
I have overcome the world." -- John 16:33 NKJV

1

In the eye of a hurricane, we may feel peace and calm. NOT
knowing that the FIERCEST winds and
storm are soon to come. But
IN GOD'S EYE we have peace and joy, resting in His LOVE.

2

In the eye of a hurricane, a **FAKE** peace can surround us. We
don't believe that the WORST storm yet is
about to crush and pound us. BUT
IN GOD'S EYE we are safe from all hurricanes and Life storms.

3

In God's eye the worst thunderstorm is **just** a gentle shower.
God calls us through Ephesians 6: "Just
ask God for His Power. For
GOD'S EYE ROAMS across this earth, seeking who will bow to Him.

4

Jesus called to the raging storm, "Peace, be STILL I say!"
Jesus calls to US, "PEACE, BE STILL.." Life's storms come your way. When
Life's storms come your way. When
You choose to stay IN GOD'S EYE,
He will give you TRUE PEACE.

READINGS DURING THE STORM:

Jesus said, "In this **WORLD** you will have tribulation, but be of good cheer:
I have overcome the world." -- John 17 verse 33

Jesus said, "In this world **YOU** will have tribulation, but be of good cheer:
I have overcome the world." -- John 17 : 33

Jesus said, "In this world you will have **TRIBULATION**, but be of good cheer:
I have overcome the world." -- John 17 : 33

Jesus said, "In this world you will have tribulation, but be of good **CHEER**:
I have overcome the world." -- John 17 : 33

Jesus said, "In this world you will have tribulation, but be of good cheer:
I ... I I, have overcome the world." -- John 17 : 33

READING AFTER VERSE 2: (during storm music)

No matter WHERE we are, whatever the storm, Jesus CAN still do what He promised in John 16:33. Jesus STILL overcomes whatever the world tries to pound against you -- even hurricane strength tribulations and thundering sorrows.....

Song Story.

The MUSIC: I literally sat at my home studio keyboard controller and was just “playing” with various chord progressions when this music began to “unfold.” In a few hours. This is God's beautiful work.... I just developed His wonderfully creative ideas.

The LYRICS: Not surprisingly, this song was written during a series of dangerously fierce thunderstorms, rather unusual in December in this part of the world. **Verse 2** was written after the *Day of the Tornadoes*, when I was in Alabama (April 2011).

Since the power had gone off hours earlier -- we were sure the storms were OVER at 2 PM, and we went shopping for food supplies. The worst storms hit less than an hour after we safely got back to our sheltering house. We've talked to other people -- Most did NOT know that worse storms were coming. And -- in our lives-- we never know. But God is ALWAYS waiting to shelter us. Matthew 23: 37 has a beautiful picture of Jesus's welcoming arms for you.

More than that.... **this was a song gift from God during a HURRICANE within my heart...** As I wrote and prayed AMID the storm outside me and the storm within me, God brought this to mind:--- No matter where we are, whatever the storm, Jesus CAN and WILL still do what He promised in John 16:33: Jesus still overcomes whatever the world tries to pound against us. *Even YOUR, your..... hurricane tribulations and thundering sorrows.*
