Song Story. I was just praying one very hot July week, early in the morning watering deck flowers before the heat of the day began, and began thinking about this verse in Genesis 3 that inspired the INTERLUDE song of "In the Garden"... of how the LORD YHWH walked "**in the cool of the day**", so He was considering the comfort of Adam & Eve... The words of this song just flowed out, along with almost the exact melody as I prayed. A Song Gift of God
