**Song Story.** It's a good thing that I've learned to enjoy being 'crazy' .... or shall we say, "unique, as God made each of us to be?" You should have heard me laughing when God first gave me this idea to me. I lost track of how many times I told Him, "You are KID-ding!" I recorded the first draft on a tiny voice recorder during the trip between Ohio's ALIVE music festival and PA's CREATION music festival.... very LOST. I had read "SW" in the directions as "NW." 20 miles later, I was sitting by some Ohio canal history sign at dusk, completely lost, but too excited about this song idea that I had to write down before I forgot it, to care how lost I was! Another evidence that God's Holy Spirit empowers even crazy people who yearn to do whatever is His work for His Mighty kingdom.. far beyond what we'd even dream to pray for! --Ephesians 3:20 and 21. NKJV:

***“Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us, to Him be glory in the church by Christ Jesus to all generations, forever and ever. Amen.”***
