Song Story.

It's a good thing that I've learned to enjoy being 'crazy' or shall we say, "*unique*," as God made each of us to be? You should have heard me laughing at God for giving this idea to me. I lost track of how many times I told Him, "You are KID-ding!" and laughed! I recorded the first draft on a tiny voice recorder during the trip between Ohio's ALIVE music festival and PA's CREATION music festival.... very LOST. I admit: I had read "SW" in the directions as "NW."

20 miles later, I was sitting by some Ohio canal history sign at dusk, completely lost, but too excited about this song idea that I had to write down before I forgot it, to care how lost I was! The version you hear is thanks to Claxton's 'magic touch' -- with divine inspiration -- And proof that our wonderful God's Holy Spirit empowers even crazy people who yearn to do whatever is His work for His Mighty kingdom.. far beyond ! Ephesians 3:20 and 21 NKJV:

"Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us, to Him be glory in the church by Christ Jesus to all generations, forever and ever. Amen."
