### Song Story

I had been pulling 18-hour days finishing up copyright application work and just wanted a break. HOLY HEZEKIAH BLUES music sheet was taking many hours to work through! For Christmas, Mom had given me one of my father's old plaques in his study that said **“Kneeling to pray puts you in good standing with God.”** God loves us regardless of whether we're on knees.... yet I liked the concept of humility in prayers.

So I prayed on knees for help.... Started “just playing” on the keyboard and with drumkits in my home studio. And in 15 minutes, I (with God's help of course!) wrote this song right at the computer system. Another of the Holy Spirit's helps with creativity -- I'd been wanting more easy-for-children songs too!

**So the song itself is one answer to prayer :)**
