Song Story.

I was in a “bummed out mood”... not feeling well, and feeling very sad because I hadn't written many songs for the LORD in the previous 2 months. Wondering sadly if God might withdraw His music giftings... I certainly couldn't fault Him if so, for I surely don't deserve such an honor as this music ministry. So I decided to just start singing “anything” as praise while I cleaned the floor. And this song is what “came out”. God's song. God's.
