"To the Lord our God belong mercy and forgiveness, though we have rebelled against Him. We have not obeyed the voice of the LORD our God, to walk in His laws, which He set before us by His servants the prophets. "As it is written in the Law of Moses, all this disaster has come upon us; **yet we have not made our prayer before the LORD our God, that we might turn from our iniquities and understand Your truth.** Therefore the LORD has kept the disaster in mind, and brought it upon us; for the LORD our God is righteous in all the works which He does, though we have not obeyed His voice.

Spoken intro: When a nation decides that it is NOT one nation under God, then is God under any obligation to be under that nation? -- holding it up with His foundation? God's covenant to protect His people is a TWO-way covenant. This prayer Daniel made that is recorded in Daniel 9 could be prayed for any nation that in past times had agreed to follow God, but then refuses to keep its side of the covenant. Hebrews Chapters 10 and 12 describe what such **nations lose ...God's PROTECTION until WE repent and again join in praying to Him.**

FINAL READING:

... Daniel 9: The **prayer for our nation, to SAVE our nation.** This prayer that Daniel made to God was important enough to God to record in His Bible, in Daniel 9. This prayer could be prayed by ANY nation that in past times has AGREED to follow God, but then REFUSES to keep ITS side of the covenant.

God has NO OBLIGATION TO KEEP HIS SIDE OF THE COVENANT with a nation that breaks its covenant with Him.

DANIEL 9: "As it is written in the Law of Moses, all this disaster has come upon us; yet we have not made our prayer before the LORD our God, that we might turn from our iniquities and understand Your truth. Therefore the LORD has kept the disaster in mind, and brought it upon us; for the LORD our God is righteous in all the works which He does, though we have NOT obeyed His voice." [QUOTE]

Song Story.

One very early Thursday morning after I'd prayed alone at God's church altar (*which I admit to only to exemplify that this song was indeed from God --- and He honors prayers*),

I walked over to the sanctuary piano, played some **Gm** to **F** to **Dm** chord progressions, picked up my Bible, flipped through it, and landed on Daniel 9. After reading this entire prayer, I asked the Holy Spirit to empower me with the ability to take this wonderful URGENT prayer that our country needs in the 21st century and mold it into a form that would help Christ-followers remember--

We must PRAY for God to save our country, must PRAY for forgiveness from our sins. Must NOT simply presume upon God's love & goodness, as many of us do.
