**Song Story** Awoke with the music and words to Verse 1 in my head on September 7 (2020). Prayed for wisdom and concluded that this was a NEW song from God. Went down to my home studio workstation to just record the melody before I forgot it. But it was so much FUN that I kept just playing "anything", and THIS SONG including the long interlude near the end (not usually in my songs) is almost exactly as God's Holy Spirit inspired it. Then recorded bass guitar, flute, and set up four chimes tracks for the song. On the next day, I still had NO idea what words God might want. Prayed. And through the day, outlined verses 1,2,3 lyrics. Wrote this music sheet, fit in the lyrics for 4 verses, and recorded the song in the professional studio for the World Wide Web on September 10th. 72 HOURS for God's Song. Ephesians **3:20-21, HIS.**
