TITUS 1:3 describes our call to be prophets speaking for our Lord:

“This letter is from Paul, a slave of God and an apostle of Jesus Christ. I have been sent to proclaim faith to those God has chosen and to teach them to know the truth that shows them how to live godly lives.

This truth gives them confidence that they have eternal life, which God—who does not lie—promised them before the world began. And now at just the right time He has revealed this message, **which we announce to everyone**. It is by the command of God our Savior that I **have been entrusted with this work for Him.**”

-- Titus 1: 1, 2, and 3. New Living Translation

John Chapter 6:40, only Jesus gives Life.

For when you are afraid that you won't "know what to say" to people:

JESUS promises you in Luke 12:11-12: "...do not worry about how or what you should answer, or what you should say. For the Holy Spirit will teach you in that very hour what you ought to say."

Jesus tells us ALL to speak for God: Matthew 28:20, go to ALL the World -- including this county & your workplace -- sharing His message. Ephesians 3:20 & Luke 12:12, an easy pattern to remember: WHEN you pray & ask help, the HOLY SPIRIT WILL ENABLE YOU to know what to say. There's no excuse for shyness when God is calling you to tell people they are dying ETERNALLY if they don't accept Jesus as The ONE Lord.... God has ENTRUSTed you, entrusted US, HIS CHURCH with His good news.

Song Story

Lyrics were written alone at the altar as an actual prayer on 26 August 2010. Basic music was written within a few hours that same day. But over a year passed and I had not gotten back to recording this song.

Then someone commented to me about being a prophet. I decided to check my journal, remembering that I had prayed (humbly, with some fear that it was a wrong prayer), ever since writing Christmas Redemption Blues (April 2010). I was surprised to find this completed song.... already with five verses and almost ready to record. The addition of the old hymn was a new creative touch, though.... perhaps God was waiting for me to develop my desire for blending old hymns with new music before He guided me to my journal notes:)
