Song Story.

This song's first draft of music is not recorded in any of my journals. While sitting in my car at a (*very long!*) stop light, almost home one day, there were commercials on every Christian radio station I had pre-programmed. **On and on.** Finally I hit the "up" button a couple of times... *well, about 5 times...* before I found a station with actual music. It was in Spanish. I know just a few words of..... BUT - this is so cool from God! By the time I had driven the next five miles to reach home, I had a cool fast beat in my head. Not a melody... just the beat.So I rushed down to my home studio to record what I expected to be just a draft to store away for future usage. Five hours later, I had finished this song, using the formed lyrics in a special Psalms journal. The piano and beat and bass and guitar tracks, and the music sheet. Another gift from God through me, I surely believe. I'm not all that talented even if people someday decide they like this worship prayer.

May YOU find much joy in worshipping our LORD with His OWN words through David, through this song, of Psalm 101.....
