Song Story. When I returned from band practice at 8:30 PM, this song did not exist. Ariel had typed the basic framework of the psalm lyrics into a file, but no music existed. I came home, tired, and started playing “just something” on the keyboard, recording as I went (see my May 5th, 2012 blog at <http://dianadeegarageband.blogspot.com> named “Bad Moods To Great Songs”). I loved the “instant music”.... that I KNOW came from Creator God's inspiration! By midnight -- **in 3 hours** -- this entire song was complete. I just added flute and organ the next morning and laid the vocal tracks at the next scheduled studio recording session.
