## Song Story

During a break at the 2014 ALIVE Music festival in Ohio, I wrote the lyrics for verses 1 & 2... in 5 minutes. Verse 3 was harder... It took another 5 minutes. And I had "music in my head" as I wrote these. The chords were finalized and the song recorded one week later.

It's not bragging about "God is my Daddy" to honor Him with these words:

These songs are not my talent... they are far beyond me. A gift from Him that amazes and humbles me. May this song bring peace to children you know..... and to you, God's Child if you have accepted His yearning offer to be your Father.
