1  
Jesus said WHAT?  
    "Men cannot kill me. I shall rise up from the grave."  
Jesus did WHAT??  
    Died on a cross, then rose again, just like He said.  
Jesus did NOT!  
    ...show a dead body when He appeared to 500 men.  
Jesus DID  
    (DID) all He promised: Miracle things.  
    And He still does -- First Corinthians, Chapter 15 -- check it out!

2  
Jesus said WHAT?  
    "I am Your God. I'm Life, so Death can't win over Me."  
Jesus did WHAT??  
    Gave you the choice to let Him be your Lord - Romans 10.  
Jesus did NOT!  
    ...want you to choose Death, so He came for all: John 3:16.  
Jesus DID  
    (DID) all He promised: Miracle things.  
    And He still does -- First Corinthians, Chapter 15 -- check it out!

3  
Jesus said WHAT?  
    Don't let your heart be troubled -- Believe in God and in Me.  
Jesus did WHAT??  
    Went to prepare a place in Heaven for you and me.  
Jesus did NOT!  
    ...leave us without a way to God -- see John 14.  
Jesus DID  
    (DID) all He promised: Miracle things.  
    And He still does -- First Corinthians, Chapter 15 -- check it out!

4  
Jesus said WHAT?  
    "Go tell the World about Me." -- Matthew 28:10.  
Jesus did WHAT??  
    Sent you His Spirit to bring God's Power -- John 14.  
Jesus did NOT!  
    ...leave us alone as orphans - John 14 again.  
Jesus DID .... all He promised: Miracle things.  
    And He still does -- First Corinthians, Chapter 15 -- check it out!

## **Song Story: The Lyrics**

The music just came into my head as I was driving early one morning. To be honest, when I first had the idea, I sorta prayed to God, "Say what?" And that sorta helped me onto the path of keeping that question concept as the basis for this weird song.

One of my fervent prayers is that LORD God will give me so many different songs with so many different music styles and moods that logical-thinking people will see the evidence that it HAS to be God guiding me to have these song ideas... I'm sure no type of genius. Well, this one is different, to be sure. At least, it's not like anything I've every heard. But I like 'weird.' Lots of colors and shades in God's creative world!

## **Song Story: The Music**

I really had to struggle to write out the music for this song. The chords don't fit normal music theory.... this is way beyond anything I'd think up without the Holy Spirit's Creator help!

When I first wrote the song, I had just sat at the computer controller and started playing this song. So later I literally had to study the printed score to figure out what chords I was playing in order to record them for other musicians who may want to rejoice with God using this song.

The usual phrase is for people to say "I have no idea where this idea came from." But of course, we know God the Creator answers prayers for inspiration... and sometimes with weird songs like this!

The QUESTIONS vocal lines were written in minutes, as were the melody and chords. Jazz style is beyond my natural skills... timing has always been my weakness, and God really had to help me write the music sheet for this shuffle song.

But the words for the ANSWER vocal lines took quite a lot of prayers for wisdom (James 1:5) and Bible research.... Jesus said so many wonderful Words from God that it was hard to keep this song at only 4 verses!
