Album: Amazing Peace 'n' Passion

“[THE LORD] He heals the brokenhearted And binds up their wounds.

He counts the number of the stars; He calls them all by name.

Great is our Lord, and mighty in power; His understanding is infinite.

The LORD lifts up the humble.... Sing to the LORD with thanksgiving...” PSALM 147: 3-7

Song Story

The hardest thing about writing this song was coming up with a title. I'm still thinking it's awkward -- but I prayed and prayed, and this is the title that kept coming to mind. Three nouns that show us God's character: (1) **Stars**- God The Creator; (2) **Names**- Jesus Who knows each of us personally; (3) **Love**- The Holy Spirit who yearns to be with us when we call to Him. Once the idea of having the three nouns as a title came to me, I had to figure out how to make a unified song that included the title. Logical progression is always nice!

And hence, the chorus. And, hence, lots of prayers of thanks to God for the ideas!
