That day had started out so very well  
despite all the things that I just had to do.  
I'd paid all my bills and glanced at my red Bible.  
Even my job went well -- the boss was OUT !  
Picked up my phone and called up seven friends.  
But never would sadly have guessed how this day would end.  
Here's my sad tale of woe... how my great day choose to go.... <bass solo :>

My day'd been full, \_\_\_ but my stomach wasn't.  
Too tired to cook, but yearning food that's hot.  
Looked in my wallet, found a hidden Twenty.  
Picked up my phone and called the Pizza Spot.  
Mushroom and cheese to go....  
Just five short miles to Joy!  
BUT now my tale of woe -- how my great day chose to go... <bass solo :>

Pulled out my driveway. Did something real stupid.  
It was so dumb that I sure ain't saying what.  
The nice policeman called the fire station.  
At least I needed only one small fire truck.  
Got towed and waited six days for my fixed car.  
The bill showed that pizza had cost a thousand bucks.  
Here's my sad tale of woe: The bill was really more.  
But in songs we can't say  
The bill was <Spoken:> "One thousand three dollars and eleven cents;  
You'd think they could round it down to a cost that rhymes with  
SOME thing." <bass solo :>

Went to my book case, pulled out that red Bible.  
Panic for coming bills can make us think of that.  
Philippians 4 says God provides for our needs --  
Sor--ry: Music for this songwriting ends right here.  
But it's not the real end: Here's your great news, my friend:

---

<Spoken> -- ALL of us have had or will have "THOUSAND DOLLAR PIZZA's  
in our lives -- things we really need, like money for bills that we just canNOT  
see how we'll EVER afford. **But our Great God PROMISES and proves again and  
again that He will provide all the needs for anyone who TRUSTS Him... IF we follow  
His Words** in the Bible like Malachi 3, including to trust God with our finances and to  
share with other people. From 2nd Corinthians 9:8 New Living Translation, "**And God will  
generously provide all you need. Then you will always have everything you need  
and plenty left over to share with others.**" -----

**Including when Life brings you a Thousand Dollar Pizza.**
