dedicated to God, 2 January 2012 Album: Amazing Jesus 'n' Children

"Don't worry about anything; instead, pray about everything. Tell God what you need, and thank him for all he has done. Then you will experience God's peace, which exceeds anything we can understand. His peace will guard your hearts and minds as you live in Christ Jesus...

Not that I was ever in need, for I have learned how to be content with whatever I have. I know how to live on almost nothing or with everything. I have learned the secret of living in every situation, whether it is with a full stomach or empty, with plenty or little. For

I can do everything through Christ, who gives me strength."

<u>Song Story:</u> The 'funk' sound was inspired by enjoying listening to a church band's guitarist and bassist "jamming" after the New Year's Eve service ended at 12:30 A.M.! Several hundred people were rushing out, but I just sat and enjoyed the informal band practice, enjoyed watching the band laugh and worship God with this different sound in His creation......

On January 1st, I started some "jamming" of my own in my home studio using the funk beat that the church band had.... but original music, of course:) I stored my music project under the title of "4-4 funk" without any idea what to do with it.

On Jan. 2nd, I played the music tracks again to think about what I'd completed the day before.... and I just loved the music.... pray for guidance,.... a few moments later as I was cleaning papers, I saw the sketch of lyrics that became this song. I started singing the first lines of the lyrics.... and they fit perfectly. Really different from my human plan, but SO much fun!
