Song Story. Written day after the Feast of Trumpets 2017... where we were reminded not just of Leviticus 23 command to congregate & Remember, but also: YHWH is where He has called “the meeting”.... whether or not we choose to OBEY & honor Him by coming. Just like Jesus's parable of Rich man ignored BY those invited to His Great Banquet. (Matt. 22)

Most people assume the “Trumpet” is silver & metal like in bands today, and have no idea of the exact sounds used with the Shofar, made of horn (often Ram's). Trumpet(s) is mentioned over 70 times in TENACH + the writings since Malachi, in the Bible.

Four main reasons to blow the Shofar:

1. Call to Gather (congregate) and Worship the One True God, named YHWH (Isaiah 42:8, Exodus 3:14-15 is where God gives His Name, changed to LORD in most Bibles, as YHWH, often printed with vowels of Yahweh or as Latin (which has no “Y”), Jehovah >**Te'ki'ah**. PSALM 150:3...”Praise him with the “BLAST” of the “SHOFAR”... powerful moves of YHWH follow!
2. Repentance & Brokenness > **Sh'va'rim**. ISAIAH 58:1; Hosea 8:1; Joel 2:1... Repentance -- a broken, moaning, and crying sound, signifying that we are broken before the Lord.
3. Warfare & VICTORY Celebration> **Te'ru'ah**. Joshua 6, 7: With shouts & blowing of Shofars, the 25-foot thick walls Jericho crumbled. and fall to the ground like dust.
4. Restoration - Shadow of His Return> **Te'ki'ah Ge'do'lah**. A REMINDER that God's voice sounded “as Trumpets”; Exodus 19:19, Rev. 1:10; 4:1. In early Judaism: when a bridegroom went to claim his bride, attendants would announce his coming by blowing a shofar and proclaiming, “Behold the Bridegroom cometh”.
