PURPOSE OF THE FUNKY SOUNDS on the recording ----- These MIMIC the way humans talk, acting so wise in their limited bits of knowledge. Compared to God's Wisdom that He OFFERS to us for FREE -- God's TRUTH FOR THE ASKING.

**JAMES 1:5 AND 6**

If any of you lacks wisdom, let him ask of God, who gives to all liberally and without reproach, and it will be given to him.

But let him ask in faith, with no doubting, for he who doubts is like a wave of the sea driven and tossed by the wind.

**Song Story.**

This began as two songs, with an interesting but average sound.

I decided to change the piano to an organ, knowing that the sound would be a bit weird with notes running into each other.

As I looked for some sound loops, I'm convinced that God guided me to these funky sounds.... I love the panning of them.

I finished my work for February 12th early, so started looking for some project I'd started, to just start adding to it. But within an hour, I finished ALL of these tracks added to the basic kits and piano recorded back in December.

YET AGAIN: WOW -- IT IS THE CREATIVE WORK of God's HOLY SPIRIT!
