VERSE 1

Un-Chang-ing Grace: How sweet the sound –
Your words changed a sad wretch like me.
My hope was all lost. In Your words, Hope was found.
When You said “Seek and You’ll..... find Me.”
Matt Sev’n sev’n and Six: Thir-ty Three. (Matt 7:7, Matt 6:33)

VERSE 2

Un-Chang-ing Grace: Your words astound.
You, God, changed a scared wreck like me.
My life went all wrong. Your Life brought me a song.
When You said, “Your peace is in Me.”
John Fourteen: Twenty-Sev’n and Phil 4. (John 14:27, Philippians 4)

VERSE 3

Un-Chang-ing Grace: Your gifts a-bound. .
Your words changed the goals I shall seek.
I need no more “stuff.” Though my life may get tough,
You comfort and provide for my needs.
Luke Twelve (Twenties); John Three: Sev’n-teen. (Luke 12:20-29; John 3:17)

VERSE 4

Un-Chang-ing Grace: My failures drowned
My confidence in the “old me.”
I invite your change. God, please re-arrange
my heart to be as You want me. .
Psalm One-Three-Nine; Hebrews Ten: verse Sixteen. (Psalm 139; Heb 10:16)

TAG < **Reprisal of first CD's title song, “Amazing Grace ‘n’ Tears”** >

How self-centered I have been. How I've focused all on me.
How **amazed** I am to be graced by Your love,
..... by all of Your tears for me.
How forgiving You have been, suffering anything for me. (1 Peter 3:18....)
How amazed I am to be graced by Your love,
that You'd die on a tree -- for me.....

Song Story: Simply: I needed a 12th song for this first album, and it “made sense” to create another Amazing Grace version song. I had NO IDEA that God would EVER keep honoring me with songs.... and so MANY. This was in the first month of recording with Valley Worship & Praise Productions, and I never dreamed that 9 month later, I would have filled a second album, “Amazing Love 'n' Lullabies.” I kept my “Little Girl” singing voice and “bare bass” to sound weaker.... as we often feel. AND, I sent the producer out of the room after he hit the “**Record**” button because I knew I would cry while recording these sad words about all Jesus has suffered for me... for us....
