Simple LOGIC: No one who Satan's already trapped is his target.// SONG DRAFT:

Simply said: _ Satan hates / God and ALL _ who are His.... / Don't despair! The Bible thru _ / says we WIN & Satan will lose _ / & God mocks Satan's tries _ to harm / True "People of God"...//

This AM's song draft idea from God. Matthew 25 for when we FEEL like "failures" despite true-ly loving God & trying to serve Him > Many people LOOK successful who use Christ's Name -- but do NOT truly honor Him. Hebrews 12:2,

ENJOY LOOKING to Jesus, who "looked like a failure" but PROVES: **God always beats Satan!**

Song Story. Written on a Weepy Weather day-- and **Historic:** Yet Another of a series of drenching rain storms catapulted my D.C. area TODAY to be Officially the Wettest Year on Record-- breaking an almost 130-year-old record. Very sad, looking back: How fast 4 decades sailed by:(yet my mind still feels as it did in College Days... Yet blessed by **God-Named-YHWH** with this idea that may help others. Delighted with Gods gift of family & SONGS over the years.
