## **YEAR 2015      FALL PARABLES IN LIFE**

Truth: Exodus 13:2. God clearly demands-- as a LAW: "Consecrate to Me all the firstborn, whatever opens the womb among the children of Israel, both of man and beast; it is Mine." ...

Now **consider how many first pregnancies were aborted because "inconvenient" at the time**... AND YET, I shall ALWAYS come back to:

We who comprise God's Church would've saved many lives if we'd shown compassion & help SEEKING OUT women to help who were desperate... Some of us weren't old enough / born at ROE V WADE... but we can start now...

Turns out I was one of last visitors to Virginia State Fair... It had already been a rough week weather wise, so I went yesterday (Sky actually NOT falling for a change) despite knowing I'd have to leave by 3:30 to get to choir practice up north on time.

FIRST EVER: After 15 years of music festivals- watching people eat what smelled so good: got a Blooming Onion! 3/4 still in 'frig... not as great as expected. FIRST EVER: Got a Funnel Cake... not as great as expected.

LAST EVER: The 2015 Fair is gone... closed down this afternoon because of pending storm. FOREVER: Memories we share with family, friends, our LORD ... Time Well Spent even if the house doesn't look perfect. No need to spend time cooking supper anyway, after fried onions & dough!

October 2, 2015 at 10:15am · Photo: The President saying "I think same sex couples should be able to get married." .... Does NOT matter what "Political Party" >>> Interesting study: Google the phrase 'GOD GAVE THEM the KING THEY DESERVED.'

Because abortion has become taxpayer-funded >>> ALL America shares in the killing of babies. THEIR BLOOD IS UPON US ALL. Surely God Too is nauseated: Perhaps He'll have mercy awhile longer while many of us speak out EZEKIEL 33 warnings: God WILL punish us together as a nation-- Look what He repeatedly did to bring back to Him his own Beloved Israel-- IF we don't turn back to Him. 2nd Chronicles 7:14 quoted SO often keeps going>> "If My People DON'T repent..." I don't post political opinions because **the PERSON God allows in an office is God's business; we just study & make our 1 vote that seems right.**

Here's the sad news about the 2015 Virginia State Fair (my last post)...Since at least 1987, the fair has never shut down early. It rained Saturday... Sunday... Monday... Tues... NOT on Wednesday when \*I\* went (at least until after I left at 3:30 for choir practice at 6... a damp drive: Super high humidity day!).

ANOTHER FIRST: My first time seeing pigs race.

First one, little porkers sailed around track.

2nd race: Medium porkers sailed..

3rd race: The pot bellied pigs wandered out of post about 20 feet... and stopped. And just stood there.

The greater fun was watching the \*people\* & how long they watched nothing happen! (I drifted next door to buy my **Cowboy 10 Commandments** huge souvenir metal poster for \$10 bucks... a good deal... One example: "Don't be hankerin' for yer buddy's stuff".

Actual commandment, Exodus 20:17, "You shall not covet your neighbor's house; you shall not covet your neighbor's wife, nor his male servant, nor his female servant, nor his ox, nor his donkey, nor anything that is your neighbor's."

I don't think God is offended that I like the Cowboy Wording more: Says same!

PHOTO = history that "Early believers kept Saturday as the Sabbath until March 7, 321 CE when Pope Constantine passed a law requiring believers to worship on Sunday, the day the pagans worshiped the sun-god. Believers still kept Saturday as the Sabbath until another law was passed eleven years later. This law signed into decree by Pope Constantine forbade believers to worship on the Sabbath (Saturday) and it was punishable by death by the Catholic Church. Many believers were burned to death by the Catholic Church for keeping the Sabbath." **HISTORY:** <https://www.historychannel.com.au/this-day-in-history/constantine-decrees-sun-day-as-day-of-rest/>

**POST:** We can quote many scriptures where God defines Sabbath (sundown "Friday" to sundown on "Saturday" which starts the 7th Day. No one can find a single quote where God OR Jesus OR Paul or any prophet or other disciple says, "God says it's OK to honor Him by keeping the Sabbath on Sunday now."

No indication that God declared "I've changed My mind now that Jesus came"... so.... Have a peace filled Sabbath time with the LORD today :}

This idea came to me on elliptical machine today... not much else to do but pray & think! >> Riddle: What's the LINK> William Wilberforce of England & the **topic of Sabbath**? W.W. struggled for years to convince British peoples that slavery was wrong.

Their common answer: **"But we've always had it"**. >>> Matches a lot of "always have" in History. And... **including re the Sabbath being changed to Sunday**. It's Past Time to STOP BLAMING "The Catholic Church" for something done 1,800 years ago (see history in Oct 2 post): It's OUR turn to teach our children's generation Truth...

It's ok if people don't want to change; Jesus gave free will; it's God's business about them. We speak Truth In Love & move on. For us: SURE-- Many of us find we must go on Sundays to FIND a time and place fellowship with others in worshipping God, to obey God (Hebrews 10:25). But hey, the early Christians worshiped \*every\* day (Book of Acts).

**We CAN still honor Day 7 in God's Way, not working, shopping or going to restaurants** (that is, NOT adding to making others to work) ..... if we really want to.

This AM: Opened first bottle I'd bought in a year: Instant I smelled, then tasted, something WEIRD happened: I thought of my dear Grandmother. She died 2 decades ago. Searching my memory for "why?", I figured out: When I was a kid, we couldn't really afford orange juice unless the Salvage Food store had it. But when I lived at HER house in summers... OJ any time of day, & a GALLON bucket of chocolate ice cream to dig into once a day... :) ... So: What's WEIRD?? >>

**That some people think it's a "lucky accident"** that our brains connect a smell with a past joy-- or sorrow.

**Won't believe in a Creator who designed us to hear a song & instantly think of our first love (whether a person or car or guitar.... :)** ... to taste a food or smell a fragrance & have memories pour into our minds-- and hearts-- once more.....

Well, I love math. I've studied it: And Statistical Probability says:

"Believing in **a trillion+ things** as being just **"chance"**..... Now **THAT's** Weird!" ....

As I looked outside early this AM, still very cloudy but no sign yet of this being 11th day in a row of rain on East Coast. But then... a familiar sound: A crash. Yet another tree falling as its weight pulls it over in soaked ground. 100+ year old poplar trees surround us: We repeatedly thank the LORD for all His blessings... including all the ones we don't even know about. God inspired this song last year... before my husband & I discovered that **a light bulb in the attic had caught fire:**

It had to be GOD who blessed us with putting out the fire, because no one else even saw it! NO IDEA BLESSINGS... **We have NO IDEA all that the LORD does for us**, in His Love & Mercy. The free download lyrics & Music sheets are at <http://dianadeeosbornesongs.com/Songs-2014.php>

**POST:** An example of why Jesus said to PRAY FOR your enemies: Only God Almighty knows what each man & each woman have gone thru that got them an "Evil Heart". Jesus does not "ask", He DEMANDS that we forgive members of ISIS if we want God to forgive us (Matt 6:15 etc) ...

NO: We do not condone. NO: We do not keep silent. YES: We share God's Truth in LOVE-- which includes forgiveness. (Ephesians 4:15, 1st Corin 13 "Love Chapter"). Read last verse in Book of Job-- about that Evil "bloody city" (Nahum 3:1) near what we now call MOSUL - whose photos remind us of this pic. God has SUCH pity on people who-- like these children-- have been taught Evil.

As a new college freshman, I walked a mile to church each Sunday August thru Oct before getting mad: No one (I mean NO one) ever spoke to me. When the preacher (big main denom church) shook hands after service: He never made eye contact. EVER: Smiled, but looked to next person. So hey, I had plenty of other things to do... & Quit, despite having gone to a service weekly for 17 years.

Guess it was a New Year's Resolution to go back, so in Jan I picked a Big Baptist church. 1/4 full each week, only one family talked to me-- AND gave me a ride 1 mile back to college each Sunday. Services were a BIT bigger than this cartoon video. But then Easter came: 3 choirs, TV cameras, everyone clapping & singing loud, VERY different from normal.

I wasn't "mad", I was FURIOUS at "The Show". And I left "Church" for 2 years.

**Point:** PLEASE look at your church from a Stranger's perspective. You never know when its coldness will be the Breaking Point when a visitor decides to Quit Church... or drive away a regular come-r like I was.

Listening to YouTube jazz, a new ad popped up: One that's IMPT to TODAY'S World News: November brings an Amazon video of the 1963 Hugo Award Winner **alternate history novel** by Philip Dick. "The Man in the High Castle" is set in 1962, 15 years after a 2 years longer World War Two... **And GERMANY & ally JAPAN won...** America was overtaken. **WHAT FEW PEOPLE REALIZE: High School never taught us how CLOSE this came to Reality.** There are MANY "**coincidences**", including an event that stopped Hitler from an attack because it involved his deep superstition. Veteran officers have told many war stories of **What Almost Was....**

Soon after we won WW2: **America supported the new 1948 state of Israel...** And **sent help in the 1967** Six Day War attack against them... And America grew in

might, in prestige, in exploding technology knowledge, in financial blessings...

..... God keeps His promises to bless those who bless His people. And like 2nd Chronicles 7:19 that pulpits **don't** preach with verse 14, and Deuteronomy 30, Genesis 12:3 >> God keeps His promise to CURSE nations that don't obey Him & Support His people. Like any Loving Daddy: YHWH LORD God has the right to punish his own children as needed. But NO ONE ELSE had better TOUCH a Father's children....

PSALM 105: 13 ... When they went from one nation to another,  
From one kingdom to another people, 14 **He permitted no one to do them wrong;**  
Yes, He rebuked kings for their sakes,  
15 Saying, "Do not touch My anointed ones, And do My prophets no harm." .

Being a pianist who preferred Bach's counterpoints & thought Beethoven was boring until I heard "Beethoven's Last Night" hard rock opera by Trans-Siberian Orchestra --I learned that PEANUTS Comic Strip author Charles Schultz insisted on accuracy for the PIANO music and hand motions when Schroeder played the piano in the motion pictures based on Snoopy and Charlie Brown.

And of course many of us can thank Schultz for introducing us to Vince Guaraldi's fun jazz piano for these Peanuts animated TV specials & movies.

Have been house sitting almost 2 weeks: Fun living with kittens again! Fast internet, no download limits, so I've gotten a LOT done checking all the music links on my website, up to early 2014. Have to leave tomorrow, so this AM I've packed up the 500 piece puzzle I finished 2/3 of as fun. But realized: That time was lost: I'd have finished my web link checks thru last month if I hadn't goofed off... // ...

Sadly realized: So many of us, incl me, will have same thoughts as the moment comes when this life ends & we realize: "I could have better served God, helped people." Sure, relaxation is impt to our mental & physical health: But hrs in front of TV & FB etc screens?? Praying apologies to the LORD this AM.... ///

and Oh, SWEETIE >> If you find my missing puzzle pieces, please save them for me: Your kittens love to play soccer.... ;)

Working in kitchen one last day housesitting with UN-limited fast internet (YAYyy!), I decided to play hour long YouTube "Simon & Garfunkel's Greatest Hits". Heard band first time as college freshman.

As I washed, I wasn't really listening, until a song **\*\*startled\*\*** me: I realized-- I HAVE changed so much: My view on 1 song is WAY different now than as a 17 year old. THEN: I couldn't figure out why anyone would declare "I AM A ROCK: I have no

need of friendship; friendship causes pain."... I wasn't super popular, but I did have some great friends who "Liked me ANYWAY" :) ... NOW: I fully feel the heartwrenching, painful truth of the lyrics "If I never loved I never would have cried." >>>

>>>>>

But I'm GLAD! Truly THANKING God for bringing me TO as well as THRU the pain over a "few" :) decades of people who seemed true friends drifting away, it seems 'forever', too busy? mad at me & I don't know why? >>>

I'm SO glad-- NOT about losing friends whom I dearly miss & confess still at times weeping over: But Because the LORD God, in His loving grace, will give us the wisdom "to see the Romans 8:28" of painful times in our lives. And, here, by Experience that YOU just might share with me: We can GRIEVE our LORD >>>>

See end of Matthew 23 re the hen: Jesus grieving over people who rejected His love. Ephesians 4:30, we can cause heart wrenching sorrow: BUT THE LORD invites us to be friends (John 15 etc) and LOVES US ANYWAY.

"I AM A ROCK-- I have no need of friendship; friendship causes pain."

.....But even big ocean rocks like in the photo can split.

I AM AN ISLAND -- and an island never cries."

.....Maybe not with wet tears. But "heart-BREAK" can be Real.

I repeatedly use Psalm 56:8 in songs: God puts my tears into His bottle & records them in His book (imagery He inspired David to write) .... My Facebook feature photo (see it on left) of Revelation 21:4 (also 7:17) was prophesied "way back" in Isaiah 25:8 >> "And the Lord GOD will wipe away tears from all faces..."

Life is a process of learning that we BREAK as rocks... and SOAR like an Eagle-- Isaiah 40:31-- when we let The LORD be our ROCK we rest upon.

Remember pattern 2 Samuel 22.. Lot of COMFORT about the LORD as your rock...

"For who is God, except the LORD? And who is a rock, except our God?"

No one. No matter what old popular, catchy songs say.

October 9, 2015 at 1:39pm

I have a great bassist for when my bass-playing country & slide style doesn't fit a song. He's also my great drummer who records tracks for almost all songs the LORD inspires me with. And I have an astounding lead guitarist <Johnny Kyle> who sadly doesn't have as many available hours as I'd love: My rhythm guitar playing isn't "enough" for heavy rock sounds I love :) ...

So I don't have as many harder rock songs as I'd like on

<http://dianadeeosbornesongs.com/Songs-2015.php> --

BUT I'm highly amused when people **assume** that because I'm older, my "style" is sweet, soft praise music. I love their reaction when I say I spend much of my time at music festivals at the hip hop & hard rock stages... It's SO cool that The LORD knows exactly how we think (& loves us anyway)... But important to remember to not judge others based on our expectations of how people "like that" must think.

October 9, 2015 at 12:54pm ·

Just remember that it's daily dressing as warned in Ephesians 6:10-18; many a power-filled (by the LORD) warrior has fallen because of prideful carelessness after great victories, ignoring God's Truth thru Luke 4:13 ... "Now when the devil had ended every temptation, he departed from Him UNTIL an opportune time." ...

The gospels give a **SUMMARY** of Jesus's 3-year ministry: We can be assured that **Satan kept & kept trying to find chinks where Jesus got tired** & careless with keeping on The Armor of God.

Among my greatest joys: In our large family, all our children are great friends even as they've grown into their own Paths of Life. Thanked God again yest AM as I was reminded of that, watching my first TV show in 2 weeks:

Beaver is pretending to drive car while it's parked in driveway; the brakes are released & it drifts down to block empty street. His friend runs away, sees & tells brother Wally-- who comes to rescue: & drives car back up the few feet while a dozen drivers are by then yelling. Policeman comes & Wally accepts all Beaver's blame. Of course, parable ends there: Jesus will never "lie by omission" to accept OUR blame when we come before the judge as these brothers did.....

**But this TV show sure gives a comforting picture** of 2nd Corinthians 5:21, The LORD "made Him [Jesus] who knew NO sin to be Sin for us, that WE might become the righteousness of God in Him." ..... (see also Context)

In a world full of lawyers, we who dearly love the LORD & seek to obey Him-- yet repeatedly find the truth of Romans 7 failures to be obedient to God even when we're trying hard because we LOVE Him--- can find SUCH comfort in God's PROMISE through First John 2:1 >>> "And if anyone sins, we have an Advocate with the Father, Jesus Christ the righteous." ..... ADVOCATE: "a person who ... pleads for or in behalf of another; intercessor. 4. a person who pleads the cause of another in a court of law." ..... <thefreedictionary>

"Polly put the kettle on... Polly put the kettle on & fetch a pail of water." ..

That annoying little ditty was in my head the moment I awoke & thought "I forgot to make coffee last night" (my Sunday AM time saver). Makes no sense: I know from days at Great MawMaw's that Polly better NOT put a dry kettle on the woodstove while she heads outside to the water pump!... Then more memories rushed in: Dad singing

Been thinking a lot on Genesis 32, after 3 weeks of much "discussion" with the LORD in prayers. Been really frustrated, & yes pretty angry at God for not using a speck of His power to "just do something about it-- one bitty thing": ... Yet: Also repeatedly muttering in actual prayers "I know You're right & I'm wrong; this is just how I feel"... Trusting Romans 8:26 promise that the Holy Spirit will interpret our prayers "rightly" to the LORD. Trusting John 15 words from Jesus that He's our friend if our

heart's desire is to obey Him...

**With human friends, we may get really frustrated-- yet we prefer honesty.** So I figure God knows how I feel, so I may as well communicate-- with respect of course. It seems like what friends do... Not struggling in caring about more blessings for me but yearning for music etc ministries to serve the LORD....

It seems as if God putting into His Bible the story of Jacob wrestling with the LORD is God's way of saying it's **OK to be honest with Him-- while giving respect to Him of course.** And now that I've calmed down some (with thanks to L & T for just listening), I admit: It DOES seem rather humorously "coincidental" that suddenly in last 2 days, my hip joint has intermittently been very painful... Just a coincidence... right??!

Most of us have been taught either by words or "innuendos" in our faith process (aka church) that having faith means to never question God. So, I was thinking... maybe sharing my thoughts might help someone else, esp musicians or others seeking to serve the LORD with gifts we know have to have come from Him... Am hoping to not get blasted for "lack of faith" but...

it's worth the risk if it helps someone else. --DD.

A Happy Festival re also Exodus 26 TENT built for the LORD as He traveled WITH His people day & night... with Love **choosing to dwell in a dinky human made tent instead of the Glory of His Heavens.** **IMMANUEL**... our hearts should swell with both Joy & AMAZEment: LORD God has wanted ALL ALONG to be 'Immanuel "God With Us" ' who honor Him... and He Is.... As I searched under sofa cushions for my favorite (80 cent) star hole guitar pick this AM, I suddenly remembered a Believers Because youth musical drama Tour, 15 years ago. Our 2 tour buses were ~8 hours from home, at a small mall.

A teen guitarist had asked about all the 100 of us if anyone had a pick... he

couldn't find his... He unsuccessfully searched in stores. Sadly he left the mall praying. Just before getting to the bus, he looked down: **A pick was on the ground**...

Reading Chip Ingram's THE INVISIBLE WAR... much needed reminders for me. Re Ephesians 6:10 (beginning of Weapons list), pg 26 > "People who suddenly find out that they are in the midst of a cosmic conflict have 1 of 2 extreme reactions: fight or flight."

He compare those who think they CAN'T defeat Satan but flee 'anywhere'..VS.. those who feel strong enough to tackle evil beings with words like "I rebuke you, Satan!" <<often TAUGHT by churches>>...

It's sadly "head-shaking" funny how many people don't want to believe "the Creation Story" so they say the Bible is good literature \*except\* the first 3 chapters. You know, the ones that explain how it's PRIDE & quest for Knowledge beyond God's that got us in the mess & despair we're in...

**Because the LORD inspired writers across centuries to intersperse reminders that Creation Is Not By Chance.**

One gem is in **Amos 9**-- seldom read or preached because it shows how God DOES get fed up with us... Rightfully. Verse 6 >

"He who builds His layers in the sky, And has founded His STRATA in the earth <writers had no idea **HOW** much!>; Who calls for the waters of the sea, And pours them out on the face of the earth— The LORD is His name." ... Gorgeous poetry Truths.

<https://www.pinterest.com/DianaDeeOsborne/evidences-of-more-in-life/> - **God does NOT give undeniable PROOF of Himself because He won't make us puppets**-- He respects us, lets us examine the world around us & reach our conclusions (like end of Romans 1 says). As we read current news, do we ask, **"What would \*I\* say if I had just a few minutes before someone was about to kill me in the name of what he called a god named 'Allah' saying 'Allah wants this!'?"** ... GOD tells us thru 1st Peter 3:15 that we **SHOULD be Ready in ANY moment** to share the Hope of Him-- to Love our **to-be-killer** & strive to plant a seed that would draw him back to God Who loves him... Most people would answer "John 3:16". But that lovely verse means nothing to people who feel unlovable.....

Consider the last verses of Jonah's book-- Jonah HATES the people of Nineveh (across river from Mosul Turkey where Christians were terrorized). He WANTS God to **destroy** them... as Muslims think "allah' wants them to do. YET God-Named-YHWH speaks of his deep love for this bloodthirsty people described in Nahum 3.

Throughout Charles Swindoll's THE CHURCH AWAKENING is emphasis on Malachi 2... the danger of "social" churches that RIGHT-ly preach loving tolerance of people who do wrong (aka, who sin), but **wrongly overlook** all God's commands to **warn people to change**. "Repent" means *more* than be sorry: It means to **STOP** it-- to urgently seek God's help in stopping it instead of saying "It's just the way I am"

(OR blame God).... Which includes GOSSIP-ing (aka, prayer concerns - often)...  
"OPEN DOORS, OPEN HEARTS, OPEN MINDS" is a motto for several denominations.

Really \*sounds\* great & loving! And CAN be. But as my Dad began declaring to 100s of church people he taught even in the 1970s:... "Some people are so open minded that their brains fall out.".... God's grace forgives when we disobey... IF we humble ourselves to ask... and strive to change. First John 1: We must ADMIT sin before we can confess it the way God says we must.

Years ago before God led me to "The Practice of the Presence of God" by Brother Lawrence (Summary: Instead of "thinking to yourself", instead "think to God")....

I got my first hint of what I was MISSING in my Christian life in this story -- told by a famous writer of books on prayers... Can't remember who (feel free to share)... Not E.M. Bounds, but one of his contemporaries: **A young boy yearned to be able to pray like the old man of the town, whose habit was to wade into river & pray alone.** The boy watched, day after day, unseen. One day the boy went out into the river to the man & begged: "TEACH ME TO PRAY!"

..... **The man took a look, grabbed the boy by the shoulders, and SHOVED** him under the water, and **HELD** him there until bubbles started to rise. Finally he let go. The boy sputtered in pain, trying to catch a breath. When he finally did, he gasped, "WHAT DID YOU DO \*\*THAT\*\* FOR?".... The man of God quietly replied, **"When you YEARN for God as much as you longed for air... You will know how to pray."**

That story has meant SO much to me, all these years....

What happened on THIS DATE in 1968? NBC infuriated watchers by cutting short its coverage of a NY Jets- Oakland Raiders games just MINUTES before the end--- so HEIDI could start on time. Football fans were enraged to later learn that in those unseen moments, the Raiders came from behind to beat the Jets 43-32. From BEHIND: More than one scoring play! ...

This week we watch the news fighting a fear that ISIS is winning...

But the LORD God is still quite capable of moving "unseen" & bringing us to a Win. We can't give up Hope -- yet with Praying humbly. God's words in First Chronicles 7:14 often quoted alone continues to 19: "BUT IF you turn away & forsake My statutes & My commandments which I have set before you... then I will uproot."

**Leviticus 19: 30** (after chapter 18 is full of commandments to OBEY "for I AM the LORD"), GOD says **"You shall keep My Sabbaths & reverence My sanctuary: I am the LORD."** ...

His Temple using HAMMER & chisel harsh sounds Elsewhere.

Habakkuk wrote God's Word to us all: "But the LORD is in His holy temple. Let all the earth be silent before Him." (2:20). ...

I often think on verses like these as I play the prelude even just moments before a Sunday worship service is to start, distracted by all the (adult) noise... My dad would share this story from a preacher (sorry don't know name) with children who were afraid of dying (even if at that time quite healthy)... & the listening adults: Dying is like when you fall asleep on the sofa watching TV...

It's not your place of rest. So your Daddy gently picks you up & carries you upstairs to where you belong. When you awake it's as if no time at all has passed to you: Yet you're safe where you have rest. //

Jesus's comforting promise thru John 14:26 reminds of a quote in STAR WARS, 1977 Episode IV. Obi-Wan Kenobi says: "You CAN'T win, Darth. If you strike me down, I shall become MORE powerful than you could possibly imagine." ....

Exactly what God's Son has shown since His physical death on the Cross...  
John 14:25-26, **AFTER Jesus died, He sent His Holy Spirit to be WITHIN ALL of us** (who invite Him) to give wisdom, power against evil:

His \*physical\* presence NOT needed.

= LOGICAL Evidence that God has power far beyond that angel Satan, who absurdly thought he'd win over God. (See Jesus's "*I saw Satan fall like lightning from heaven*" in Luke 10:17-20; and fascinating Ezekiel 28 which can apply to no other.) ...

LOGIC in First John 1:4> "He who is in you [God's Holy Spirit] is **GREATER** than he who is in the world" > **Satan who is REAL makes the fiction villain Darth Vader look like Mary Poppins.**

PHOTO: Video still of police officer at car window (from behind) where woman inside is saying, "**I thought you officers didn't give pretty girls tickets?**"...

Many patrol cars were even on back highways Friday. One was sailing up behind me, lights flashing, but I wasn't the least worried>> I'd been going only "3 over". But of course as he passed, I knew he had the RIGHT to ticket me: "**ONLY 3 OVER**" is still **against the Law.. // ..**

An officer friend told me they can tell when drivers are truly regretting having passed Law's line-- not just "sorry they got caught"... & officers very well may give just a warning instead of punishment. BUT **by their GRACE in not giving us what we \*deserved\*, they did \*\*\*NOT END\*\*\* the Law of the Speed Limit...**

Galatians 3:13, "Christ has redeemed us from the **CURSE** of the Law" >> The DEATH PENALTY = **the Curse**.

Just read Psalm 119 to see how **NON-logical it is to call God's Law itself a "curse"**. How can we think anything God said is Evil?

That just \*plays into the hands\* of God's enemy: Satan whispered thoughts into people's heads from the beginning-- then about God's SINGLE LAW: "Did God REALLY say that?.....Genesis 3:1.

And then Satan CONTRADICTED what God had promised as the **Curse of the Law** (only a few verses later): "You will NOT surely die." ... John 8:44, Satan the Father of Lies called God a Liar-- and people then & now still believe his Propaganda whispers.

How SATAN LAUGHS knowing God DOES keep His word ... DELIGHTS when those God loves- incl Christians-- are not Jesus's friends (John 15) if they

- don't want to obey Him...
- HURT God,
- call Him changeable (Titus 1:2, Numbers 23:19),
- thinking that when God gives the gift of Grace, that means He CHANGED HIS MIND about Laws-- the 'speed limits' that are so GOOD for us, that are GIFT for our protection, health, humbleness before Him that leads to peace, joy.

Simple LOGIC: **Without the Law, a police officer cannot give Grace-- because we didn't do anything wrong.** Easy parable. "God is not a man, that He should lie, Nor a son of man, that He should repent; Has He said, and will He not do it? Or has He spoken, and will He not make it good?" - Numbers 23:19.

Staying overnite at a friend's house, I awoke to hear heavy rainfall outside... and a "ping ping ping" right above my head. First concern that roof was leaking. It quickly gave way to Panic! when I turned on light & saw insects rush over & start bouncing against it: In my experience, HORNETS do that. But, hallelujah!, it was just ladybugs like many houses are being invaded with... INTRIGUING easy to see PARABLE: Stayed 2nd nite. Awoke to find perfectly CALM bugs.. gathered in small groups, still resting after I turned on \*2\* lights... >>

... EVEN God's World of NATURE repeatedly shows a Peace & Comfort when we're together-- even when there's nothing our friends can do or say that actually frees us... JOY in being with others who \*care\* about us. And promised Power from the LORD to break thru our life chains (John 8 etc) ... and give Peace as we wait on Him (Psalm 46:10, John 16:33, all of John 14, etc).

JESUS: "For where two or three are gathered together in MY name, I AM there in the midst of them." -- Matthew 18:20 (& see Exodus 3:14). God's **#CHRISTMAS** Promise of Jesus's **#Reason** for the **#Season** -- Luke 1:79, "To give light to those who sit in darkness and the shadow of death, To guide our feet into the way of peace."

**Would you trust a nurse who'd never done a Practicum--** who got Straight A's in Knowledge, but **never worked with patients** with an experienced nurse beside him/her?? ..... of COURSE not... Related Q - really :)

**CONSIDER: Jesus took 3 years to not only teach but also to give 12 men PRACTICE.**

WHY does it appear that 95% of church activities seem so self focused?-- "Activity" defined as individual members DOING somethings besides coming to services; not simply easy things like bring food for baskets--

My personal theory: I think it's **honest FEAR caused by LACK OF INFO...** Oh, Sure -- there's the lazy Christians (Revelation 2-3 shows)... But Many Christians are good hearted, DEARLY love the LORD-- but are truly FEARFUL to serve, of being a poor reflection of the LORD (2nd Corinthians 3:18)

because Churches in general aren't teaching our KEY:

John 14:26 & James 1:5 & Ephesians 6:10-end & etc: God promises Wisdom & power as we reach out. Jeremiah 1:17, we prepare with study BUT we arise trusting God to give us Words to warn (1:16). Church doesn't even teach that JESUS said to trust God for words as we share His Message & serve Him... Luke 21:15 (but read earlier verses of encouragement too!)

That 2nd Corinthians 3:18 shows TWO promises of God:

If we turn to Him, seek to obey Him, trust Him,

- (1) we'll grow to MORE & MORE **\*\*reflect\*\*** our Lord; and (fantastic!)
- (2) The Holy Spirit Himself WILL HELP us to grow to do that!

Ever struggled with a concept that seemed to change each time you thought thru it, even within minutes?

Good ol' KJV version-- Jesus's repeated sentence makes me feel ashamed:

"O YE OF LITTLE FAITH!" Yet... a **MOBIUS**...

I \*do\* have absolute faith in God.

Absolutely not scared of death- though hoping it's not by doing something 'embarrassingly stupid' like brushing my teeth while I blow dry my hair :) ...

But... **MOBIUS**: ..... It's **ME** I don't have faith in, to trust God as I should...

Yet... **MOBIUS** Comfort: Among my favorite verses of God's Word: Mark 9:23-24, Jesus said unto him, "If thou canst believe, ALL things are possible to him that believeth." 24 And straightway the father of the child cried out, and said with tears,

**"Lord, I believe; help thou mine unbelief."**

I'm ashamed of my terror feelings tonight... but that's all they are: **Feelings**.

without scolding him for the feelings that led him to pray for help...

My brother & I have passed on a few generations' of our family tradition: We Children were allowed to (after 7 AM!) on Christmas morning, open & play with **anything** in our Stocking. Mom usually packed in some great little toys-- and of course, we set aside the orange & dug into the chocolates :) ...

**We KNEW More & Better was to come!** ... But we weren't allowed even

a Hint of More **until Daddy came and said "It's Time!"** .... Christmas mornings are our reminders: Jesus came wrapped as our Heavenly Father's Gift, and we've been able to enjoy His Wondrous **gifts of Salvation**, of **Weapons against Evil** (Ephesians 6:10-), of **Love / Joy / Peace** (Gal. 5:22-23)... **And one day God Our Father will say "It's Time!", and we'll see More & Better when Jesus Returns to bring us (who truly love the LORD) to Him --- Forever !!!**

"Ha ha! Acquittal on all charges! **Complete exoneration!** (Credit Bill Watterson)

Poor Calvin has struggled all year to fight temptations to clobber Suzie with snowballs, stay out of the Principal's office, endure Roslyn his babysitter, not drive his parents crazy... But by mid December, **he's pretty sure his failures will result in NO gifts** under the Christmas Tree.

Cartoonist Bill Watterson deliberately included many Christian truths in his CALVIN AND HOBBS strips. This panel is a **Picture of Grace**. Sadly-- like for Calvin-- **most of us fool ourselves into thinking we managed to "be good enough"** when we're **Surprised By Blessings**..... Insulting God's Goodness who offers gifts.... EVEN WHEN we don't deserve them! Yet Salvation is free gift that we choose whether to accept: "...NOT of works, lest anyone should boast." (Eph. 2:8-9).

"The LORD sat enthroned at the **FLOOD**, And the LORD sits as King forever. -- Psalm 29:10... Beautiful worship song; AND verse 9, "And in His temple everyone says, 'Glory!'"

I pray that was **your** joy in God's church fellowship somewhere this morning. NOTICE: No one doubted David's sanity of "*believing myths*" as he wrote this bit of **History**: The LORD **engineered** the world-wide Flood that almost every culture around this earth STILL talks about even if they do not credit God-Named-YHWH... as repeatedly said thru the Bible incl by Jesus Himself (Matthew 24, Luke 17:27).....

I confess: I smile when I see "yet another" post complaining that Facebook "hates Christians" & "hides their posts".

Simple math: If you had only 50 friends posting tonight & FB put ALL those posts in your feed, you still would not notice some as you read an individual's. Simple math: FB uses an algorithm (equation) programming that avoids overwhelming your feed by putting only the "most popular" posts or writers in your feed.

Even if you don't like FB's method>> Simple LOGIC: If you REALLY want to know what a friend is thinking: Click on "Friends" >> "Search for your friends" & type in a name to quickly see someone's ideas.... **Reminds me of people who complain that they want to know God's thoughts--- yet they won't take time to truly pray & truly read God's Bible. ....**

In NUMBERS, TV Season 4, Disk 3 Episode 4; the math genius does what he shouldn't've--- He tells TV reporter he can probably solve the case.

Thus the kidnapper learns that the ordinary looking guy is a threat to his scheme, and begins to try to scare off, then destroy him.

Same thing in real life. Satan's just a created angel- **doesn't know the future** or how we fit into God's Plan (giving us & others Joy). Satan's goal is to destroy everyone whether or not they believe in him or God (JESUS said- John 10:10; John 8:44; via 1st Peter 5:8).

But as soon as we start doing things (incl praying) to serve God, we catch Satan's attention and his special efforts to trick, thwart, discourage us.

Cool thing is.. **James 4:7-8**, we're safe if we stay on guard (having put on the weapons God offers though Ephesians 6:10-end)-- Satan & demons **have** to run away from God's presence, so when we pray & draw near to God....

We run FROM, to us God **COMES**, Demons **RUN**. (2013)

**Actually this poster is \*\*NOT\*\* true... It is a FALSE teaching to say>**

**"The Enemy always fights the HARDEST when he knows God has something GREAT in store for you." WHY is this FALSE? >>**

**NO!! Satan does NOT have omniscience like God...**

- \* does NOT know the Future,
- \* can NOT know God's Plan or specific times that Satan & his demons need in order to come fight the hardest against you...

What "principalities, powers, rulers of the darkness of this age, spiritual hosts of wickedness {Ephesians 6:12} **\*DO\*** know & too many Christians forget:

The LORD NEVER breaks His Promise: Including that God has a special exciting Purpose for **\*EVERY\*** person to decide upon accepting.

THUS: In reality, Satan doesn't work at hurting you other than for a bit of "fun" til

you start to truly BELIEVE GOD's WORD >>

Jeremiah 29:11-14, Psalm 139. ....God MADE you with a Special Plan in mind.... you as an individual and you as part of His fellowship, grafted in with His beloved children of Israel -- if you so choose. Romans 11..
