SABBATH 1 APRIL 2017 BIOGRAPHY SHARED FACEBOOK

Fortunately (bless-ed-ly), like for so many people who preach from the Bible to huge groups of people and sometimes focus on GRACE, HEALTH, BLESSINGS instead of a complete Bible Truth:

God uses their words to somehow reach the hearts of 1000s of listeners. For me, 2 key servants were Oral Roberts (my Mom always watching his TV show before church) & then some years later when I finally truly accepted God's word that "I can't do ANY-thing to be saved except Accept The Savior)... thru one of the Billy Graham revivals at a high school football field.

TO THIS DAY: I don't know WHAT was said that night: By a human, anyway. Don't know why I refused my usual super-shy self & chose to walk "miles" (it seemed) forward in front of people.... ONLY Answer: God calling. Only one I can see. :)

POST **1 April 2017** [1 min](#) · 8:42 A.M.

During yesterday's *Downpour* rain, I HAD to get something out of back of my van. I left my nice comfy spot, raced out, grabbed the box, pulled down on the handle to close the heavy back.... & instinctively stepped back. Sure enough, a huge "puddle" of water *GUSHED* down... but missed me because I'd stepped back...

AND: I started laughing>> 5 years earlier when the van was new, I didn't *know* the design included a huge "dent" for the license tag & I got SOAKED hair to knees & feet!... But on that day too: I just LAUGHED & told God I sure looked ridiculous... Yesterday, was thinking: Suppose I'd gotten furious that day? Yesterday, I'd've felt ASHAMED: Our bad moods don't just affect 1 day but may be remembered for years to come. Thanking God for my quirky sense of humor!

Psalms 86.... NOT an "old fashioned" or "history" prayer: " 11 Teach me Your way, O LORD; I will walk in Your truth; Unite my heart to fear Your name. 12 I will praise You, O Lord my God, with ****ALL**** my heart, And I will glorify Your name forevermore. 13 For great is Your mercy toward me, And You have delivered my soul from the depths of Sheol." ... And from the depths of sadness & wishing for past happy times, if I'll ...we'll..... let Him. ***EXCITING* ADVENTURES AHEAD**, always, with our wonderful LORD God! <very popular post>

COMMENT ADDED April 3: Out of curiosity, I used BlueLetterBible.org to see if word ADVENTURE is in any modern translations. It is: But it's used instead of another more COMMON phrase >> VENTURE FORTH.... **There's *NO ADVENTURE* unless we're willing to leave our comfy little Cave of Life!**

I can tell you a smart-sounding summary of a lot of books I haven't EVER read... Thanks to Wikipedia, we all can... True with Bible things too. Many people caught a "bit" of Scriptures & figure that's enough. RESULT: Loss of Peace-- OR the opposite: Assuming like some people & Movies are preaching: "Hey God Is Love, so He saves everyone! Don't worry about needing to accept Jesus as your only Savior".....

REALLY.... Satan's having a good ol' time.... People are fretting, "Is The Anti-Christ here yet?!" But God's book clearly says YES ... for centuries. There's MORE than one: "Many deceivers have gone out into the world. They deny that Jesus Christ came in a real body. Such a person is a deceiver & an antichrist." First John 2:22 & 2:18 & 4:3; 2nd John 1:7. John 10:30. Matt 24:24. John 8:44> Jesus says: Satan lies to your mind.

As spring pops out, look at all the babies & toddlers around you:} Do you ever wonder if it's worth the bother to give them happy times that they'll never even remember? Awoke remembering a blur: Someone used to push me around in a wheelbarrow, running-- faster & faster til I could barely breathe for laughing! Can't remember who-- but the feeling was hidden in my brain for more decades than I'll admit..... ****Do you wonder 'why bother?'** ** smiling & saying 'it's ok' to the store clerk who is slow today?... Tonite she won't remember your face; but she'll remember the feeling that someone gave her a moment of happiness.... And to ETC. :) Gives *our* brain wrinkles a nested joy of giving Joy, too!

My hubby likes to relax watching old B&W westerns on PBS. They bore me-- but I love Jimmy Stewart's voice, so sat for Together Time. Suddenly I Realized: That was

one *FURIOUS* horse that guy was on. Horse stood very quiet, SEEMED at peace. But I'd learned in riding lessons how to "read" & better relate to horses. And this one's eyes & super flattened-back ears expressed a lot that I once would've ignored.. // ..

God helps us learn to also discern how people are feeling as we share ideas with them including about Him...James 1:5, when we ask, God gives wisdom to know when to say more because their "ears are forward"-- And **when to back off** until they learn to trust more that we really DO care about them.

IMPORTANT-to-*US* History we oft forget: 2nd Kings 20, "Hezekiah became deathly ill, & the prophet Isaiah.. [gave] message: 'This is what the LORD says: ...and gave Hez 15 more years of life. 3 years later (Chap 21) during those Gift yrs, Hez fathered the WORST of ALL Kings, Manasseh, who Defamed God, got 1,000s to reject Him & to worship false gods... //... Why don't we just Trust God's Timing-- incl when it is our Time to Graduate to Eternal Life?? Yes, of course: Pray. But Trust even when God's answer is "Time to come Home."

Manasseh would NOT have been born & turned SO many people to hate God if Hez had just Trusted God...//... There's deep PEACE when we pray "Please heal me: But my utmost prayer is YOUR will, God: Whatever".

What is the ONE animal that ferocious Grizzly Bears will allow to walk up & steal their Fish Dinner? The answer (**at the end**) is almost like a Joke, it's so unexpected... FLIGHT RESPONSE: Hard to believe that phrase was coined only ~90 years ago; you'd think someone would have thought it up sooner!... Most of us who are patient (or lazy enough to wait to see if "it works out") have a pretty slow Flight Response; but I find that when mine "kicks in", I'm ready to RUN NOW!!!... There's No Kidding about Satan always ready to attack... God says Satan quit bugging Jesus with temptations only "until an opportune time" (Luke 4:13)... We must STAY AWARE of our temptations to RUN AWAY from "X"...AND, instead. Run TO God-- James 4:8. **It's not a bad idea to follow a grizzly's example of quickly leaving his dinner to a pushy skunk.**

As little kids we often were led to sing, "This is the day... this is the day that The LORD has made-- that the LORD has made! ... Let us Rejoice... Let us Rejoice and be GLAD in it -- and be GLAD in it!" :) ... No mater what we expect "it" to bring. (Especially Mondays, huh?!)... Sometimes I wonder if God doesn't sadly try to remind me that "Hey, I made THIS one for you, too!"..... EACH DAY IS A GIFT has special meaning when sickness or the death of loved ones-- even of a pet-- reminds us of this PSALM 118 song. Including verse 21, "I will praise You, For You have answered me, and have become my salvation!"

DISCOURAGEMENT: Over & over on Facebook I see musicians getting discouraged, asking, "Am I REALLY serving God? Wouldn't I see more results if I WERE?" ... and/or: "I thought God wanted to USE me on FB. Am I wrong? Should I stop? Wouldn't I get more LIKES & friend requests...?" ... // ..

Often I drop a comment to encourage-- even though the same Q of NUMBERS sometimes hits me....Such SILLY-ness, our human focus on Results that we SEE. 2nd Corin 1:1-4, God gifts us with opportunities- incl on FB- to ENCOURAGE others: Numbers are NOT impt. You have an Enemy who WANTS you to stop planting seeds that God gave you: SATAN knows how Jesus's Parable ends: "But others fell on good ground & yielded a crop: some a 100-fold..." > Matt 13, Mark 4, Luke 8. **DWIGHT L. Some disturbing-ly still-applicable quotes by Albert Einstein who died 60 years ago -- thank God was NOT on Germany's side of WW2:

"I know not with what weapons World War III will be fought, but World War IV will be fought with sticks and stones." – AE (contemplating nuclear devastation)

....."I made one great mistake in my life-when I signed the letter to President Roosevelt

recommending that atom bombs be made but there was some justification-- the danger that the Germans would make them."-- AE And then for "religious" topics:

"Force always attracts men of low morality."

Sometimes when I'm "in a mood", I'll set & play one of the various beat options on my drum machine until a new song "melody" starts making itself known to my mind... & sometimes I ask my drummer to "record anything" & then I take the tracks home from the studio to do that.... Thankfully, I enjoy being weird. God inspires fun ideas in ALL of us, in different ways.

Intriguing PARABLE in fun 2009 movie JULIE AND JULIA: Like: All thru movie, lonely American diplomat's wife Julia Child in Paris tells her husband all the Words in letters her Best Friend "Avis" in America keeps writing to give Good Advice & to ENCOURAGE Julia when she feels down... even when someone "important" *DETESTS* her & hopes she'll *fail* miserably. NOT TIL MOVIE END do we learn: Julia has NEVER MET her dear friend Avis... // ...

WE can be dearly encouraged by our Best Friend and LORD Jesus (John 15 defines "friend"). His Words give Good Advice... & encourage us when we're down & when people mock us... especially "Keep Going! You'll Be Fine!" (John 16:33). Even when people & Satan (John 10:10a) *DETEST* us & hope we'll *FAIL* miserably. Does NOT MATTER that we've NEVER MET our dear friend in person.

This SURELY must be another Lie straight out of hell. Even when via a pulpit. >> "We know there is NO SORROW in heaven, so we won't even remember our children & loved ones who have rejected God & chose Hell instead."...//... Forget our children, parents, friends? ... Aren't we made in GOD'S IMAGE?? Isn't God in Heaven?? Doesn't God GRIEVE for those who reject Him-- incl those who've already died & now It's Too Late to Choose His Way??...//...

Satan *loves* this message that has a result these teachers haven't thought thru: Why would we pray & fast for those we love-- which is supposed to be EVERY one-- when we figure "Hey I won't have any sorrow in heaven?"... Matthew 23:37, did Jesus "just forget" the 1000s of people in Jerusalem that He was grieving over, that night before the First Good Friday?? ...John 8:44, Satan loves lying to our minds.

12 April 2017 It is SO wonderful to see God's faithful musicians who don't carelessly drift away from their initial Passion & Love & following of Him, amid all the busyness of Life & the music world. -DD. Revelation 2:4.... not leaving our First Love, for The LORD.

POST April 13, 2017 at 8:06am

When writing songs, I usually divide each into 3 sections.

Part 1 = quiet words. Part 2 = Fervent.

Part 3 = a CHORUS that applies to both sections...

Often I'll use *completely* different music genres, like Quiet> Rockin', or Rockin' > HipHop (which makes my producer laugh: I'm not 'great' at that! :)) to reflect the fervency of an impt message...//....

The "Old Testament" is mis-named; the OT is The "Original Testament". Our Bible is not 2 different songs from God: It's One Song with lyrics LINKED thru Movement 1 History to Movement 2 God's Fervent call to us to BELIEVE His Words in #1.... And **"EASTER" is God's Chorus**, summarized in John 10:10, Jesus's words: Satan's out to get you, but our LORD offers ABUNDANT LIFE-- Everlasting. A beautiful *CHORUS* of God that applies to both sections of His Song we've titled "The Bible".

Why in the world was Crucifixion Day called "Good Friday???" Why wasn't a name ever given to TODAY?... What would it have been? **DESPAIRING Saturday**?? Even though of course Jesus had shown He WAS God who did miracles?... After all: Not only were his followers dejected, grieving: Others mocked them as being just as foolish as those who'd believed in ALL the false messiahs that came before. (We don't learn that history 'in church'.)

NO: Today could be called ANTICIPATION DAY, like any day when we Trust God based only on Evidence of Who "I AM" True-ly IS >>> We don't have to 'Understand' to be able to Trust! As a musician, it's very very sad from "up front" to be able to see the faces some people make when they realize the preacher has indicated to me to start the Invitation Hymn all over again because someone DID accept Christ's invitation and come forward..... because they are in a hurry to get home.... :(with tears.

15 April 2017 10:30 PM. Consider: It should also deeply sadden us that Mostly because Christians refuse to give up their bacon & ham, or to truly honor Day 7 (they can STILL gather to worship on Sunday), then most of God's Jewish people think *Jesus* said that was ok... so they won't even CONSIDER Jesus as Messiah who would be Law-less, rejecting God's (YHWH's) very clear Commands and all of what God called "My statutes forever". :(

There's a picture of Jesus carrying us (called the Footprints story, about Jesus helping in Time of Sorrow when someone asks "Where was Jesus?") which says, "That's where Jesus carried you." I found a cartoon that adds a second picture: A long pair of streaks in the sand and a "bubble" with the words, "And THAT'S where Jesus has to DRAG us. >>

I've been apologizing to God a lot after finally figuring out "where He was going" with some things..... It's always a lot better than the 'Best' of what I myself had in mind.... This photo is usually posted with the amusingly often true added words to panel 2, "kicking & screaming" :) ... but those versions don't include the writer credit (which I had to research to find). 2nd Samuel 22:31, "As for God, His way is perfect; The word of the LORD is proven; He is a shield to all who trust in Him."

21 April 2017.

In 5 years, I have un-friended about 5 people.... 3 for nasty pictures they thought were "funny". One for being argumentative about how God who is loving could not Possibly judge anyone the way the Bible says.

And the 5th? Sam, from Africa, who had 100s of Facebook friends that he was always preaching to.... with encouraging posts. BUT then he started a long series of a terrible teaching, pushing for sin, telling Christians this: "Men should live with women before marriage to make sure they're compatible." I presented scripture after scripture (AND kept a record in my Bible Studies folder on my laptop) to show him that he was teaching AGAINST what God's word says.... praying all along that God would reach Sam. But the conclusion was like Ezekiel 33... We can TELL people what God says, but we cannot force them to believe us. Even Jesus couldn't do that.

In the meanwhile, I still pray for God to open the eyes of all the many people drawn in by encouraging posts and "occasional" mis-teachings of what God says.

My final words to Sam on 4-21-2017:

Ecclesiastes 4:8-12, God would ALSO NOT suggest as Satan The Liar (John 8:44) **WILL** do so, that you un-friend people who-- in CARE FOR YOU-- seek to help you not drift from God's WAY.... OR to teach others to do so, for which He will hold you accountable. **End of my part.** I pray that God will answer your prayers for wisdom.

I thought houseflies lived only about 5 days. This single one that found its way into my house has been here so long that this AM I muttered that I should name it Methuselah.

I'll think it's finally gone-- but when I turn on the light above my workspace, Here It Is Again...//...

Maybe a God-Incidence? that this AM's episode was right after I decided to type my AM prayer to my LORD, then later tape it into my journal as a reminder >> because my weary mind's been drifting too much when I just kneel to pray lately... Have to pay attn while typing :) ... & the serious main request is for God's Help with a bad habit. Cannot believe it's been 4 years since this happened: April 22, 2013 FB POST: For 2 years I've loved sitting under trees at river docks with guitar, journal, Bible. I watch people team up: A pilot in boat holds it steady as 2nd person guides it onto trailer & hooks it; oft #3 drives truck. TODAY For first time, saw a man work ALONE: struggled 20 minutes &, in the end with no help, he badly scraped side of large boat against ramp gatepost... Thought of Eccl. 4:9-10. From the start, God has called us to help each other. "Two are better than one... Woe to him who is alone when he falls, for he has no one to help him up."...IMPT >>

Yesterday a longtime FB 'friend' in Africa got mad when I gave a LOT scriptures warning him that God will hold him accountable for teaching 100s that "it's ok to live together to see if you're compatible for marriage"... including Eph. 5:3 NIV, from GOD: must "...not be even a HINT of sexual immorality, or of any kind of impurity... for God's holy people" I WROTE: >> Slowly Boiling Frogs, <name>: We gradually adjust from "This seems ok" to "We Love each other & God approves of Love.

THE BOAT: God calls us to SUPPORT each other, to WARN, to **NOT try to "dock our boats" all ALONE OR we'll end up Damaged just like that man's boat.....** GOD GIVES PEACE thru Ezekiel 33... He calls us to Warn each other-- not "to convince". Even Jesus couldn't convince most of a city full of people (Matt 23:37). SO: Don't fret re getting un-friended; just keep Speaking Truth in Love, Eph. 4:15.

"Whenever you find yourself on the side of the majority, it is time to reform (or pause and reflect)." -- Samuel Clemens (aka Mark Twain) in NOTEBOOK, 1904.

I've been teaching, writing songs a lot about "Gossip Against God"... re believing all people claim about how unjust (etc) He is... & using this partial quote of Twain (photo left out his word "Reform"/ change) ...

When you find yourself agreeing with the majority against a person, consider:

You probably don't know all the details (aka Truth). And if you once trusted this person's character as a friend-- Perhaps Character... and obeying God's leading... is why the person "doesn't just give a defense". Matt 26:62-3 Example, Jesus didn't bother AGAIN repeating what He'd already said to accusers who weren't going to listen anyway. Ecclesiastes 3:7, a Time to Keep Silence.

We just had "EARTH DAY". Few realize that "Ecology" has ALWAYS been super important to our Creator, too...He didn't Choose to "clean up our mess" & "just create *some more*": From the Start, He assigned people to be caretakers (Genesis 1:28)... No blaming God for cancer etc when we've done a lousy job taking care of animals, plants, Earth & seas!...//..

God has His own Earth-Day-type Conservation Laws most people people ignore. Examples: Laws against eating buzzards & shellfish keep us healthier by not eating critters that eat Dead stuff or clean up gunk in water... AND both keep Earth Clean... "Fallow fields each few years" began in Leviticus 25-- including a FULL rest of the land every 7th year.. AND God's promise to provide extra food in the years less land was tilled.... Pretty cool! ...

I taught our first of many children to know her FULL telephone number, by assigning a number to 10 keys on the piano starting at middle C and writing the MELODY of the phone number! It's much easier to memorize With Music...

and God has honored me with the ministry for Him to do exactly that including for many prophets' & Psalms writings: to put not just actual Bible words but also verse references in songs. After all, it doesn't do any good to know it's "*in the Bible*

A friend shared how in one church, some "church people" asking that disabled people NOT come back because they were loud when answering the altar call: I admit that -- when I remember such hurtful circumstances that have happened in some churches -- I often consider it a *reminder* to pray that God will bring it again & again to the mind of "whoever did"... **NOT as revenge, but as a prayer that just might help the person be more Christ-like in the future....** I think God would answer my prayer to know if I should stop-- if this were not right... something more to ponder....

Ever notice? Some believers get defensive & upset if you mention how we should be looking forward to the Soon return of Christ. WHATEVER HAPPENED to eagerly praying "Thy Kingdom COME..."... Do they have "too good a Life here"?

Doesn't seem to be trusting God's Plan, whatever it may be.

Maybe they don't want to think about God's Word thru 1st Corinthians 3:13, that **Just serving God a couple of hours on Sunday, maybe Wednesday night study/choir too, is going to be mentioned on God's Set Aside Day:** >> "each one's work will become clear; for the Day will declare it, because it will be revealed by fire; and the fire will test each one's work, of what sort it is." ... My TURNING POINT for beginning to call God "Yahweh" as He SAID His Name is, in Exodus 3:14 (Easy to remember: Math's Infinite PI)... was a FB post encouraging people in March 2016 to give their annual reverence by praying together to honor God: It said, "May the almighty Lord Shiva bless you all with good things & perfect health."..

(Hindu god) //..

We FORGET:

- (1) "GOD" the word is a noun; many are called by that noun- with or without capital G.
- (2) "LORD" is a title; many are called that.
- (3) "Almighty" and even "Creator" are among words credited to many beings that even if real are NOT THE One True God whose Name is YHWH "I AM [who] I AM." In Hebrew, the symbols (letters) that refer to His Name cannot even be called spellings-- they're nothing like any name- unpronounce-able (so we add vowels trying to say it), unique forms seen NO where else.

Here's a perspective of a pastor who escaped religious persecution in Egypt 45 years ago & sees parallels in America today: **Dr. Michael Youssef**, shows most accurately that I've seen, that NO POLITICAL PARTY has created the way America has become: Read God's Warning in Ezekiel 33. **We EACH are held responsible for**

not sharing God's Warnings. Starting at paragraph 3, Youssef writes:

"So who IS responsible for placing society's body over the bottomless pit of moral decay? **I, for one, place the entire blame at the feet of some church leaders**—those who actively worked to obliterate the biblical moral code, and those who by their silence essentially acquiesced to its destruction.

"It was in the 1980s that the Episcopal Church not only pushed acceptance of homosexuality as an alternative lifestyle (under the guise of "love and anti-discrimination"), but then to prove their point, ordained practicing homosexuals into the priesthood.

"Then, **instead of condemning** the Episcopal Church for its departure from God's creation blueprint, **the Presbyterian Church USA, soon to be joined by the Methodists, felt that they must join in the destruction.** For who on God's earth wants to be branded as someone who "*discriminates*"?

"Now here we are in 2015, and we're watching many Bible-waving, evangelical televangelists following the same parade route into the abyss....."

People ask me about Death: Do we go to be with God right away, or are we "on hold", awaiting Rapture??... I respond in 3 parts:

- (1) "Is there a special reason you ask?"-- Usually they're upset, wondering if someone they love is just lying in a grave awaiting "The Day".
- (2) Jesus offers PEACE about this thru Luke 23:43-- "***TODAY*** you will be with Me in Paradise."
- (3) Then I share God's comfort idea: Death is like when as a child, you fell asleep playing with your toys in family room. You remember playing... And then you awake in your warm, comfy Bed-- carried there in your Daddy's loving arms. How you got where you belonged or how long the trip to your bedroom never matters. :) Peace, my friends... This week I was sympathizing with a friend who'd spent months detailing plans for a long vacation-- only to have Step 1 literally derailed by a "Nature Event" that required Fast Complete Re-working of Plans... and I'm still astounded by my instant response of words that I see as a prayer answer for Wisdom far Beyond Me-- that works for each day in our Life:

"Predictable Adventure = mere Itinerary :) ... Enjoy!" My friend laughed:)

AUTOBIOGRAPHY

I was really young... maybe 10... BUT I can remember as if it were a couple of years ago, what happened when my grandmother watched THE TWILIGHT ZONE. I even remember thinking that the guy was nice looking. Later found out it was a very (very) young Robert Redford. WHAT AFFECTED ME SO MUCH FOR YEARS:

In "*Nothing in the Dark*", an old woman who feared Death carefully kept her doors locked to Keep out Death, and lived in Fear & Loneliness. But one night, this young man knocked at the door, seriously hurt, and she Tried to reject him...

But her heart of compassion won: She let him in. As she nursed him back to health, they talked and talked. She even confessed her fears of letting in Death... and then she found: He had become a Friend -- named Death -- who'd take her to a place of peace. Last scene, she joyfully left her self made prison.

NOTE: We must be CAREFUL of what we let even young children see on TV or whatever.... We never know how it will affect them, perhaps forever. For me: No one in church had EVER talked about what happens after death in a way I understood. Even though, the reason I was staying with my grandmother was... my grandfather had died 6 months earlier and I was keeping her company for the summer.

As a newlywed, I wanted my jello salad for the church dinner to be Perfect. Mom's great recipe said "1/2 cup pineapple juice". Jello box said "Don't use fresh juice"-- but didn't say why. I was only 1 BITTY teaspoon short. So I used 1 BITTY tsp of fresh juice. And ended up with: LIME SOUP. NOW I know the Science of Why. But my jello was ruined by the Law of Science even though I didn't believe the Instructions meant to help me.. // ..

We don't understand the "WHY" God made some Laws -- but still we are often hurt when we ignore Laws. Usually not right away, but over time -- such as not resting one day a week as God said and SCIENTISTS now say we need. Like parents, God sometimes says "BECAUSE I SAID SO." We'd each be happier if we Trusted His LOVE giving laws that HELP us: Romans 7:12, "But still, the law itself is holy, and its commands are holy & right & GOOD."

God has TOLD us quite clearly what He wants. Why do we think our Creator is any more pleased by **substitute gifts** than our mother who gave us birth? Someone asked, "What do you say to someone on Mother's Day when her child died young or even before birth?... Perhaps my reply might help... though it says more than I usually share of my "personal side">>> My friend Kay & I comfort each other at times, not just "that day", with these words to each other:

"I remember Paul...", I cry. His little yellow initials jumper still hangs in the closet. "I remember Rose", Kay says..... Our children who we imagine running thru heaven together.... we still cry years later... & are still comforted to know someone remembers. Who doesn't break our hearts saying, "Well, you have other children."

People ask, "How can you trust a God who lets bad things happen to children?" The Answer gets Easy as we see Evidences of God's Care o'er and o'er >> He made us in His image. If *we* think something is "wrong", then we sure can trust God takes care of being Just in all things. And is TAKING CARE of our children....

My child dearly wanted it. I knew it wasn't best. After awhile & my child's Quite Reasonable Reasons why I should give it... I did. But Time proved me right... Mom's not fond of apples, but bought beautiful ones for the fruit bowl at the far side of kitchen, in prep for my brother's family coming for an 8 day visit since they "eat healthy". A week after they left, Mom called me laughingly & confessed: "I remembered the fruit bowl, went over to it... & found DUSTY apples!" ...//...

Rather like dusty Bibles.... We say God's Word is Good & 'good for me'-- but often forget to use it. Mom's call was on the day I put the 22nd song for the Psalm 119 series on my music website: Every single section of Psalm 119 declares "I LOVE Your Word, O LORD!"... But if we let His Bible get dusty, that's NOT love for God's Gift that's "good for us".

A survey was done of people across world: "What one word describes the type of person who you most enjoy being with?" The answer (per Charles Stanley) DID have 4 letters... but was NOT "Love". It was "KIND"../...

God apparently has the same opinion... He tells US to be *both* loving & kind (like Galatians 5), AND uses this word *repeatedly* to describe *Himself*: LOVINGKINDNESS-- as One word. The dictionary online doesn't even call this a word, but God does. My favorite as a musician: Psalm 42:8 PRAYER, "The LORD will command His lovingkindness in the daytime, And in the night His song shall be with me — A prayer to the God of my life."

Grrrrreat picture for Matthew 5:18-19 etc: We need God's Laws to know what SINS are (God's Limits) to avoid breaking... exactly what Paul said in Romans 7:7.

God 's GOOD Laws actually show us how GOOD **He** is in giving us grace when we truly repent! What Joy! As Paul continued in verse 12: "Therefore the Law is holy, & the Commandment holy & just & good."... **And even if the officer gives you GRACE *25* times... The Law STILL exists.**

Comment 5-20-2017 on a pastor's post... he sounded discouraged about trying to get good sermons. Me: Years after DL Moody became an evangelist who helped 1000s of people learn about their LORD, people often asked his Sunday School teacher Edward Kimball what he'd said to DLM "that day" of their special talk, to open DLM to believe God's Salvation truth.... Kimball would answer that he had no idea-- that he just talked, & had thought he'd failed to do it well. A house trailer that 100s of us pass daily, abandoned for years, suddenly had an "Available Soon!" realtor sign. Day by day, improvements were seen: New roof, siding, added porch, yardwork. Now: "For Sale!"... but the 100s of us KNOW that inside is possibly covered up mildew damage from leaking roof, & replaced damage that may have left some... That does NOT mean it's a bad home: May be just what a price conscious family needs. But anyone who didn't see the Progress doesn't (yet) know the "real underneath"...//...

Same for meeting people: Every person hides "the real me" & we should be aware-- not "taken in" assuming we see all: But it's a joy to learn to grow to like each other for "who we are", as is... **As God loves even each "real me" among us.**

POST May 27 at 11:48am · With photo of leather strap Roman sandals with NAILS going through bottom soles like sharp cleats for stability in slick ground:

God's BLESSING Gifts include weapons to fight Satan's attacks... Ephesians 6. We read about "shoes of peace" & think of leather sandals of the day. BUT: This is the ARMOR of God, & Roman sandals had THICK nails firmly driven all the way thru the entire sole, to give SURE footing. The enemy had to struggle to knock down anyone prepared with these deep CLEATS. So: God's shoes of Peace helps you stand firm: To not be knocked over by bad things that happen: You can trust the Giver of your shoes of peace... but you have to put them on, with the rest of His gear.... Photo from HistoryOfSandals on blogspot.

My later comment quote from same source, with link to the website: Soldiers up to the rank of centurion wore caligae or military sandal. These came in several types i.e. scouts wore speculator; horsemen were shod with equestris; and fighting men wore clavata with iron nails protruding underneath for greater traction on rugged ground. Caligae were sturdy, thick-soled sandals with an upper that reached the instep. A lattice of soft, leather strips was tied around the shins or the bridge of the foot by a tongue. The toes were left bare.

The Blue Ridge Parkway's gorgeous scenic pullover on mountaintop overlooked miles of green valley & mountain ranges. Lots of people photographing & admiring God's beautiful creation. BUT NOT one young-ish man. Yes, he did have his camera out. But he had his back to the gorgeous scene. He took photo after photo of his apparently new huge black truck. With the highway as background...

He did grin sheepishly at me when he noticed me smiling at his lengthy photo session! I wonder: But aren't we often the same?

How often do we ignore the magnanimous blessings that God gives us while focused on STUFF & unimportant things?

Useful info to share for those of us who can't figure out if a snake's nose is pointed enough to mean it's poisonous: It AMAZES me how hard I had to search to find this SIMPLE key after I stunned & flipped a snake over, to warn me to watch for its "relatives"... a water moccasin etc has large plates on middle part of its underbelly, not halved squares for full length (not just tail), like non-poisonous snakes have.

HISTORY from my May 29, 2015 post: Awoke this AM to hear some bird repeatedly angrily 'screaming' by front step we use daily: hollerin' at a 3 FOOT snake. I was pretty sure it wasn't poisonous but it did have diamonds. I grabbed a shovel I'd left in porch corner, stunned snake, flipped it over since I remembered from friend Sam's post of this info the day before. IT WAS POISONOUS....

THIS IS GOD-- ONLY explanation: (1) Sam's post timing of the picture of a snake, AND that I'd gone to her page yest, since FB never brings up her posts; (2) I'd been too tired to put away shovel sev days ago so it was right there; (3) And OH WOW!-- Who BUT GOD can be the explanation for a huge bluejay getting angry at a 3 FOOT snake, far from all the birdseed AND keeping it from slithering back into its safe hole??!..

So this movie seems far more disturbing for everyone watching the "humor" & companionship, who has seen the sequels: And knows who all the betrayers will be...//...

As we look back on our lives, they most likely were "happier" not knowing in advance which of our friends would gradually drift away. Do we ever feel sorry for Jesus who knew that not only Judas but ALL His disciples would eventually abandon Him, stop trusting Him, at least for awhile? It's sad..... especially when we're honest enough to admit how often WE have doubts as we pray, sometimes....

YET GOD... Yet God has given me More Amazement at how He answers prayers for Health far beyond what we imagined when we asked: 812 miles from home, near the end of fast walking in Birmingham downtown, a long piece of sidewalk had a 1" ledge at the seam & I sailed down... **slammed** (LOUD sound) my right temple, jaw, wrist, thigh bone. **NO WAY was it NOT God who saved me from broken bones or even death.** Of course today I look like a pirate with a pack of frozen peas rubberbanded to my forehead over that eye as I type!... You don't need to be a history buff to know: What was still happening in Jericho's region 40 years after God enabled Israel to defeat its enemies by tumbling their "impenetrable" walls? Answer: The people were STILL talking about it. How do we know?

Joshua 2:8-11, they were STILL talking about God Who saved Israel from Egyptian would-be killers as " He is God in heaven above and on earth beneath". AND: 40 years after Shadrach & Mes & Ab were saved from the fiery furnace, people would've STILL been talking about what they saw God do... During 2-1/2 weeks travel, I've been coping with GI issues by barely eating: Under 300 calories for each of at least 5 days; another 5 days or so under 800, 3 days at the super-diet level of 1200, and 2 "normal" days around 1500 calories.

Net weight loss: 1/2 of 1 pound. AND THAT, ladies & gents, is why God guides most pastors to NOT preach about "the sin of gluttony"... Because MOST PEOPLE THINK they "see the sin" on people who've in fact been fighting with little victory against low-metabolism sickness for years: Esp women whose "hormones go crazy" after they hit 40. It's depressing enough to repeatedly see failures of results amid hunger & hard exercise, without feeling accused of "the SIN of gluttony" too.

Jesus did not need to REPEAT commands God had already inspired to be written (2 Tim 3:16) that the people were already doing, like keeping Day 7 sabbath or giving the commanded tithes (that averaged 23-1/3%, with a 3rd year tithe). Though Jesus DID mention that tithes must not be neglected (Matt 23:23 & Luke 11:42); and that LIFE supersedes sabbath laws (re saving animal in pit, Matt 12:11, Luke 14:5). "Once Saved Always Saved" is an odd "Human Faith Declaration" considering GOD's obvious Declaration thru Hebrews 6:4-8. OSAS is HALF right... but we learn in Logic that ***1/2 a lie turns the whole sentence to be False***. (Truth Tables)... EASY

EXPLANATION of OSAS: (1) God NEVER rejects US after we've accepted Him...

2nd Timothy 2:13 is your PROOF: "If we are faithless, He remains faithful; He cannot deny Himself." After all: WE were faithless when He sent His Savior Son to die for us... the whole point of John 3:16 (and 17 &18)...

(2nd half) showing OSAS is wrong) BUT God doesn't steal our Freedom to Reject HIM.... Saddest example: Charles Templeton was reaching more people for God than Billy Graham in early days... BUT came to completely REJECT God. Because he was so super-popular, he led many people to re-think their faith in God when he made that choice...

GOSPEL (good news) OF TRUE REPENTANCE for sin was set up preparing for our Savior to come, all through the "Old Testament" too. Example from Ezekiel 18:24-28 is in photo. Not OSAS "Insurance policy" for people looking for an "out" to enjoy sins.... per GOD's inspiration of Hebrews 6: 4

For it is impossible for those who were once enlightened, and have tasted the heavenly gift, and have become partakers of the Holy Spirit, 5 and have tasted the good word of God and the powers of the age to come, 6 if they fall away, to renew them again to repentance, since they crucify again for themselves the Son of God, and put Him to an open shame.

7 For the earth which drinks in the rain that often comes upon it, and bears herbs useful for those by whom it is cultivated, receives blessing from God; 8 but if it bears thorns and briers, it is rejected and near to being cursed, whose end is to be burned.... Hebrews 6:4-8 New KJV.

My Comment later: By the way: Billy Graham stayed friends with Charles Templeton, tried to convince him to turn back... and we know from Peter's example after denying Jesus that God forgives ALL who return... Yet CT kept believing *in* God while staying angry at God... NOT that we are to forget James 2:19: EVEN DEMONS believe *in* God . And Templeton stayed friends with Graham, respectful of BG's continuing faith. A sad, sad, true story as CT lived in mental anguish after his decision he wouldn't change.

COMMENT 6-20-2017 on a posted Q re why Satan seeks to destroy believers more than sinners. Me: I don't think Satan bothers "budgeting" his time... he has plenty of demons to have "FUN" seeking to destroy Christians as well as non-believers. But it's an interesting Q. Comment 27 June 2017. 4:48 P.M. re article on how liturgy churches are repetitive BUT non-liturgy churches drift into Sameness also, and without the Reverence of Liturgy churches. **ME:** As a "standard liturgy church" lead musician, I've loved playing for Catholic churches specifically because of the Reverence-- the silent praying or at least quietness-- of those waiting for worship time to start... Most churches where I play have people yakking louder as I begin the prelude so they can hear themselves. It makes me sad. I often wonder what God thinks on that.

My morning "fix" of about 6 Calvin & Hobbes cartoon strips from a book included this one... Got me to sadly thinking of neighborhood soccer games, of "on the fly" invites to a dozen kids/friends grilling hotdogs & marshmallows over a tiny Hibachi in

the driveway, of being with church friends NOT on a Sunday or Wednesday night.... & as Calvin's Dad reminded me: Of answering the house phone even WITHOUT caller ID:

Expecting to KNOW the non-spam person who cared enough to call....

Sighhhh..... oh, right, that's Charlie Brown's line..... :) Photo Credit: Bill Watterson, IT'S A MAGICAL WORLD, page 26.

Comment 29 June 2017 11:04 P.M. On a post that says this: *Beware many will tell you that they are a Christian yet when you ask something of them or need a iron sharpening they will not be there. Today we see the apostate church growing because of the false gospel being taught and promoted as love?*

ME: Lots of laziness, too.... too lazy to read God's Words, SS teachers & preachers reading Bible words in front of others & then talking "off the cuff" about what they mean instead of studying ahead... or praying for God's guidance. :(Sad for our Great LORD, too.....
